February sees us in Qatar to realize the reportage of two important sporting events related to the Arabian horse, organized by “Katara International Arabian Horse Festival” headed by His Excellency Prof. Khalid bin Ibrahim Al-Sulaiti. All the competitions, shows and events normally take place within a large and monumental commercial structure (Mall) at the gates of the capital, which takes its name from the place “Katara” precisely. Inside, besides the countless stores, boutiques, bars and restaurants, there is also a department store “Lafayette”. Just think that one of the most prestigious department stores in the world wanted to open a branch right here, in Doha. Moreover, in the central part of Katara there is a large amphitheater for theatrical and cultural events. Regarding the importance that this country gives to culture, sculpture installations and painting exhibitions by world-class artists have been set up in the various outdoor and indoor spaces. Among them a great friend:

Mr. Ali Almimar, in my opinion one of the first and the best to paint Arabian horses. Qatar is divided into ten municipalities and Doha is not only its capital, it is one of the main centers of interest of the nation. Many world-class sporting events, not just equestrian, take place in Doha. Among all of them, some of the most important are definitely: this year’s long-awaited “FIFA World Cup” that will start on November 21 and end on December 18. This important event is revolutionizing the city with renovations and embellishments that will make it even more beautiful, the Qatar Motorcycle Grand Prix on the Losail International Circuit, built in 2004. The new specially designed sports facilities are technologically advanced and extraordinarily impressive. For over 15 years, the “Qatar Masters” has been held at the Education City Golf Club. Since 1993, the world’s most talented tennis players have competed for the ATP 250 World Cup and the Ladies Open on the

Doha courses. Qatar has also won another of the world's most important tournaments, the XV World Padel Championship. Sports, sportswomen and sportsmen have been celebrated on February 8th which was proclaimed National Sports Day.

Doha is also home to Qatar's largest and most important stable - Al Shaqab, belonging to the Qatar Fondation. This place is an equestrian city, built to meticulous architectural and landscaping standards. It houses around 900 horses for various sporting activities, stalls, huge paddocks, a pool for training horses, a veterinary clinic, three covered arenas for jumping, shows and much more. Al Shaqab Stud boasts several world champions, progenitors of dominant lines, who have made the quality the nation enjoys today grow in all private

stables and breeding farms. For culture lovers it is also possible to visit "The National Museum" in Doha, "the Museum of Arms", the Souq Waqif in the city center and a few steps away the "Islamic Museum". Walking around the city there are many covered markets where you can buy handmade jewelry and more. These are just some of the places where you can breathe in the culture and traditions of Qatar. Another important symbol of Qatar's past history is the Pearl Monument, which testifies to the importance of traditional craftsmanship, one of the main activities in the area until a few years ago: pearl craftsmanship. The deserts around the cities are dotted with suggestive archaeological sites and military forts for the protection of the territory at the time of invasions from enemies near and far.

Let's talk now about the equestrian events: the "Peninsula Arabian Horse Show" dedicated exclusively to straight Egyptian horses. The competitions, the equestrian shows and all the surroundings dedicated to the horse is the beating part of a Festival organized under the patronage of His Highness The Amir Sheikh Tamim

The first part of this marathon of events ends on February 5th, but immediately on the following day, at 6:00 pm sharp, the battle for Riyals will begin in order to win an embryo of Shaella or a mount of Gazal Al Shaqab, or the best broodmare from the auction catalog in Katara. There are 36 horses for sale and the results are truly satisfactory. Most of the horses offered are sold, and even the breedings are sold. Just to give you a number for this auction, I can tell you that about one million seven hundred thousand euros were collected, which, translated into Ryal, is a record amount. The highest figure was reached for the embryo of FT Shaella (Shael Dream X Soul Pretty Tgs) owned by Dubai Stud. There was a long battle in the VIP area, with pallets of different numbers, a clear sign that many were there to bring in their breeding program this precious embryo of the multi champion FT Shaella. However, the winner is Al Thumama Stud, with the record amount of 750,000 euros, to whom our best compliments go. Below we will give you the complete list of the subjects for sale at the Auction.

From day 9 to day 12 the Title Show 2022 took place, an international class A show affiliated with Ecaho, with horses entered from all over the Middle East.

A significant number of entries also in this show, 463 horses competed for medals in the final championship held in the spectacular setting of the KATARA Festival on February 12.

For this competition 12 new judges have been invited: starting from the ladies we have: Mrs. Ann Norden (Sweden), Mrs. Anna Stefaniuk, and always from Poland Mr. Jerzy Bialobok, Mr. Carmelo Zaragoza (Spain), Mr. Ceddes Bakker (NL), Mr. Fabio Amorosino (Brasil), Dr. Francesco Santoro (Italy), Mr. Mohamed Machmoum (Morocco), Mr. Hassanin Al-Nakeeb (GB), Mr. Santiago Fornieles (Argentina), Mr. Tamas Rombauer (HU) and Mr. Graham Smith (Australia).

Mr. Roberto Ceccaroni moved to the Disciplinary Committee, succeeded in the field by Mr. Cristian Moschini (IT) with Dr. Vet. Mohamed Mohssen as Ring Masters. Mrs. Alicja Poszpeczynska, Dr. Gianpaolo Teobaldelli (IT), Mrs. Lina Brunsgard and Dr. Patricia Emanuelsen both from Denmark remained in the Disciplinary Committee.

In addition to the wonderful voice of Nabila Al Ali there is also the voice of a man Mr. Anas Al Akkawi.

Before I start telling you about the show and the horses I want to say a few words about the breaking news that was given in the center of the field in a moment of pause

and that usually served to show the wonderful play of light and sound on the beach. Over a desk in the middle of the ring, illuminated by a faint light of the show, His Excellency Prof. Khalid bin Ibrahim Al-Sulaiti, official manager of Katara Festival and Mr. Jean Luc Poulain president of CENECA have with a signature revolutionized the World of the Arabian Horse. The signature establishes that in the years 2023 and 2025 the World Championship, which for 40 years has been held in Paris, will be moved to Doha. Everyone surprised? Everyone! Scared? No thoughtful! It is well known that when there is a change and balances are shifted, there is always a 50% in favor of the other 50% who are not happy. But the world, life itself is made of changes so let it be as it has always been done, let history decide and not judgments. We, the editorial staff of TuttoArabi for 25 years have always dedicated every effort and exploited every resource in favor of customers and the Arabian horse in the world. We will be there wherever it is done! On the 9th of this month the Title Show began, in the first race of the Yearling Fillies as in the previous show many classes have been divided into A and B but we start from the first one:

Last category where we play the access to the championship and it is “EKS ALIHANDRO” (Marwan Al Shaqab X Ofw Psylhouette) to win the first place with 94.39 highest score of the show. It must be said that with this stallion, who will later also win the gold medal, many have and we have rejoiced. He made the breeder Mr. Willie Brown happy, he made Al Shaqab happy since Marwan is a pearl of breeding in Qatar, he made Aljassimya Farm happy for bringing home the maximum trophy, he made Saudi Arabia happy winning many titles under this flag and he gave us all great emotions. In second place in class another champion “ES HARIR” (Aj Dinar X Tf Magnums Magic) owned by Al Wajiba Stud. These are only the first two in the category but if you go to look on Arabian Essence the catalog you will realize that it is the list of the greatest champions of the world in recent years. Normally I end by writing that the show was very good, that the timing was perfect but for this colossal event I have to tell you that it should be experienced for the entire duration of the Festival. Also because the shows that followed one another, although with beautiful videos do not have the same emotional impact that in presence.

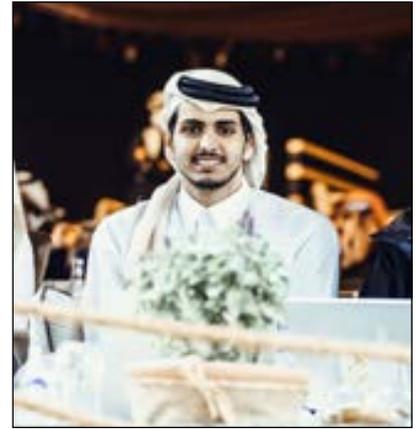

In this regard I leave you with the pictures of these great champions, and those who will be in the future, taken by our photographer Mr. Simone Bergamaschi. □
