International Days for Arabian Horses

*T*utto Arabi was present in Tierpark Ströhen for the “International Days for Arabian Horses” as normally happens since years. A wonderful location and, as always, great hospitality and lots of fun in Ströhen were the ingredients for this fantastic event and we at Tutto Arabi don't want to miss a single edition of it!

In the 2 days of the event we had the pleasure to assist at the European Show and International B-Show (Ecaho), the Championships which were part of the Arabian Horse Days held on 10th and 11th July and greatly organized by Ismer Family. Ismers are a big family of long legacy in horses and animals: the grandfather of Nils, Rolf Ismer was the founder of the Tierpark Zoo.

Since 2007 Mr. Nils Ismer is the owner of the Zoo and the Farm.

This year, a driving force in the Ismer family, Mother Almuth, sadly passed away. In a video tribute to the dear mother, the most beautiful and touching images of Almuth's life spent with her beloved and grown-up zoo animals were shown. It was a touching moment for everyone. Yes, because over the years we all got to know this woman who looked frail but had the strength of the tigers she raised. She will always remain in our hearts.

The zoo is right in front of the family home in Ströhen, where the Ismer family likes to host friends. This event is always filled with special moments such as the special presentation of the stallions. This year in particular the two included in the breeding program: SANTORINI (Vervaldee X Lady Madonna) and IS EXXPU (Qr Marc X Is Exelsia). Next, the show of dancing camels and horses and the long-awaited party, this year outdoors under the awning.

International Days for Arabian Horses

International Days for Arabian Horses

This is just one of many small details that made the “International Days For Arabian Horses” very special! Special like the entrance of judges on the back of the elephants and the elephants performances. The contact with animals who live in the zoo, offered by this special and unusual location, make this event even more touching and extraordinary.

Ströhen as always made record of entries with 98 Horses in total between the 2 shows.

For the European Show they have been invited to judge Mr. Klaus Beste from Germany, Mr. Mark Ismer Germany, Mr. Jerzy Zbyszewski from Usa, and Mrs. Anna Stefaniuk from Poland. While classes for the International B show took place in the afternoon with a new pool of judges: Mr. Jerzy Bialobok (Poland) Dr. Gianmarco Aragno (Italy), Mr. Eric Gear (France) and Mrs. Marianne Tengstedt from Denmark. It is confirmed also this year Mrs Lizette Svensson Ringmaster. DC was Mrs Line Brunsgaard (Denmark), Mrs. Barbara Pfistner (Switzerland). Special voice of the show by Mr. Erik Blaak and super music by Mr. Lars Grootswagers both from Netherlands.

Mr. Ismers started with Arabian Horses almost 60 years

ago. The stud was founded with the purchase of the first purebred Arabian mare in late 1959 by Rolf Ismer. His son Holger developed the pin over 40 years to its current size. Today the farm is run by the third generation of the family, Dr. Nils Ismer. It is the largest private stud of Arabian horses in Europe. Only the Polish State Studs have such a history. More than 100 mares and several stallions make up the stud’s breeding stock. Ismers has many good friends around the world and the Ismers family’s breeding tradition is present all over the world. They also organize endurance races. The place is perfect to host any kind of equestrian event. We want to thank the whole Ismer Family for the warmth that made us spend one of the most beautiful weekends of the year. We invite you all to Germany for a visit to Ismer Farm and Tierpark Zoo, where you will surely have a great day to keep in your mind and heart.

Enjoy the gallery of winners with results and pictures by our photographer Mr. Simone Bergamaschi (@simone_bergamaschi_fotografo). If you want to review the images of those spectacular days, watch the Arabianessence streaming.

A special thank goes to Nils Ismer by all the editorial staff of TuttoArabi for this amazing show organized every year.
