Famous racetrack built in 1939. Now wonderful renovated Art deco building and interior. Very elegant, large course, grass.

More than 1000 horses are here in training. After ups and downs now many young trainers and riders make this location very important in the Arabian horse racing world.

On 18.th August 2019 the three most important races for Arabian horses was organized.

Al Khalediah Poland Cup and Europy race, both for four year old and older horses and the Bialki stakes for three year old ones. The best racehorses participate.

Very hot, humidity weather.

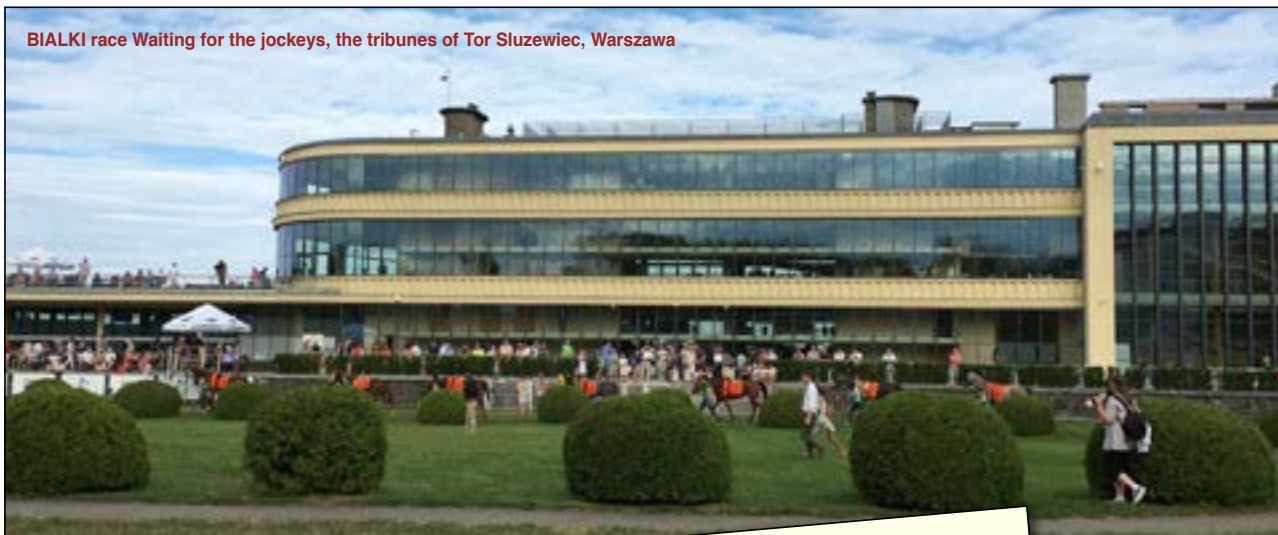

Tribunes full with many visitors and a great festival together with H.H.Sheikha Fatima Bint Mubarak Ladies World Championship race. Ten horses (4 and older) ridden by amazons, selected by ballot to them. (Gr IV, 7.875 zł, 1.600m) IFAHR trophy.

Al Khalediah Stud Poland is very strong presented in the Arabian races. One of their horses won last year the Arc d'Triomphe award in Paris, the most important race for four and older.

Normal in the races the colts are stronger as the fillies, but the
