This year was the 65th anniversary of the Scottsdale Arabian Horse Show. Some people might wonder what could this annual event possibly offer that's new, different, and exciting after more than six decades. For many of us, that is allure, the intrigue, that keeps us coming back year after year. This show, held in one of the most beautiful cities in America, holds the distinction of being the largest Arabian horse show in the world with over 2000 entries. Among the horses entered, are the brand new faces of the yearlings, most are making their show ring debut, as well as never before seen horses that travelled here from countries around the world. This year, our Brazilian friends brought some of their best bred and owned horses and took home several of the highest awards of the show. Not to be out done, breeders, owners, and handlers from the Middle East, Europe, Australia, and South America also achieved tremendous success competing with their horses.

The Scottsdale Arabian Horse Show is far more than just another competition. It is a gathering of passionate people who want to share the experience, to observe, to learn, to enjoy the incredible beauty, intelligence, versatility, and athletic ability of the breed, and to immerse themselves in the fabulous world of Arabian horses. Here you will see many of the top halter and performance trainers, handlers and riders - professional and amateur - present their horses. Among the winners featured on the following pages are past champions continuing their quest for glory by earning a title of Scottsdale Champion - one of the most prestigious titles in the world. We can never get enough of their beauty! Yet, for many, it is the thrill of discovering new faces, young horses whose potential for greatness is just beginning to blossom.

And still more reasons to attend, "The Greatest Arabian Horse Show On Earth", is the chance to meet old friends and to make new ones. Sharing our love of the Arabian horse is among our greatest joys. We hope this coverage of some of the show's champions, as well as friends who attended the event, will delight and entertain you. The dates for next year's show are already set: February 11-21, 2021. We invite you to make plans now to join us. For additional information please visit our website at: www.scottsdalshow.com
