2010 United States NATIONALS CHAMPIONSHIP

by Riyan Rivero ■ photos by Mike Ferrara and Elise Peacemaker

Il US Nationals è famoso anche per l'esposizione di prodotti internazionali. Venditori da tutto il Paese hanno esposto le loro migliori opere, da bellissimi bronzi, a gioielli, incantevoli dipinti e molto altro. Per alcuni espositori e proprietari i sogni e le speranze sono diventati realtà, si sono commossi vedendo i loro cavalli indossare la tanto ambita corona di rose rosse, premio degli stimati detentori del titolo di Campioni Nazionali degli Stati Uniti. Per raggiungere questi obiettivi si deve affrontare un viaggio lungo e spesso costoso, ma il risultato finale, a volte, è un'esperienza emozionante che può cambiare la vita.

Congratulazioni a tutti i vincitori dei premi del US National 2010! □

The U.S. Nationals is considered one of the most important North American shows in the Arabian horse industry. The event offered classes for Arabian, and Half-Arabians in all the divisions that these extremely versatile animals so beautifully perform in. Breeders, trainers, and owners from all over the World attended this glorious event to see some of the greatest horses in the breed compete against one another.

The U.S. Nationals is also known for its world-class shopping exposition. Vendors from across the country had their finest works of art on display, from incredible bronzes, to jewelry, to beautiful paintings and so much more.

Hopes and dreams came true for exhibitors and breeders alike who were moved to tears as their horses were adorned with the coveted blanket of red roses, given to the esteemed United States National Champion titleholders. It is a long and often expensive journey to reach these goals. The end result is often an emotional and life altering experience.

Congratulations to all the 2010 US National Award winners! □
