The 42nd annual U.S. National Arabian and Half-Arabian Championship Horse Show made its debut in Tulsa, Oklahoma, at Expo Square, October 17-25. A total of 1,800+ horses were entered in the show that provided 125 classes across a variety of disciplines that included Mounted Native Costume, English Pleasure, Show Hack, Halter, Side-saddle, Hunter Pleasure and Western Pleasure.

The Arabian Horse Association produced this nine-day event and was the first year the show was located in Tulsa, Oklahoma after many successful years of rotating between Louisville Kentucky and Albuquerque, New Mexico.

The finest halter horses all came out to compete for the title of US National Champion.

A few of the highlights were the multi National Champion DA Valentino who had the highest score of the show and won the Jr. Stallion

The US Nationals is always one of the top shows in the USA and this year the International presence at US Nationals was very exciting.

The next shows on the US calendar are the Scottsdale All Arabian horse show in February and the Arabian Breeders World Cup in Las Vegas in April. These two shows should not to be missed. □
