TuttoArabi is since the first edition the media partner of the Vichy show.

Really a great cooperation!

Mr. Daniel Souppat, the show patron and President of the french ACAS (Association du Cheval Arabe de Show), has welcomed the participants to the Vichy International Arabian Horse Show B in the ex-capital of France: Vichy. Under the patronage of His Highness Mohammed Bin Saud Al Qasimi, the show has been held on 30th and 31st July in an enthusiastic atmosphere.

This year the show celebrates his 5th anniversary as an international show. And the show was really international with a very high level of horses.

Many french breeders has enthusiastically taken part in the show together with the other 14 nations competing for the title!

Considering the crisis of contenders of other shows, Vichy got 89 entries with 80 horses showed.

At 9 am, Saturday the show began on time with yearlings, colts, fillies and mares classes, all judged by the A class judges Mrs. Anna Stojanoska (Poland), Mr. Greg Gallun (Usa), Mrs. Irina Stigler (Russia), Mr. Francesco Santoro (Italy) and Mrs. Christine Jamar (Belgium).

The ring master was Mr. Alain Ladek, who everybody remembers as the ring master in red uniform at the Paris show.

The arabian sound designer was Mr. Hassan Valsan. The Secretary Office was managed, loyally and professionally

as always, by Mrs. Cristiane Durand-Souppat that was really eccelent in every moment.

Delicious lunches and dinners were offered to the officials during the 2 days event.

This year the streaming and the scoring on the video were managed by Arabian Horse Results and the speaking were committed to the voice of Mr. Arnaud Bertero, at ease in the show.

The DC were Mrs. Vivian Van Eerten (the Netherlands) and Mrs. Barbara Pfistner (Switzerland).

The sumptuous Gala Dinner was offered at the Celestin Hotel's park restaurant (the hotel chosen to host all the guests) where the guests have admired the presentation of Mamoun Albidayer (RFI Farid x Mirana), a stallion of Albydayer Stud that operates in France at Haras de Montpenzat.

The magic atmosphere arised from the voice of the speaker commenting on the show professionally performed by the handler, Mr. Tom Oben, have arwed all the guests, in a frame of lights and sounds effects.

Mr. Daniel Souppat and his wife organized an amazing cabaret show making everybody delighted and amused during the whole evening.

Enjoy the pictures by Mr. Jan Kan, which are here below showing the champions, their owners and breeders and some moments from this fantastic event.

Don't miss to put the Vichy Show 2017 on your next year's agenda. □
