

WEST COAST CUP

INT. ARABIAN MASTERS

STRAIGHT EGYPTIAN

With the help of the good weather, which is not always taken for granted in the North of Europe, thanks to the perfect organization of Mr. and Mrs. Detailleur together with their daughters, and thanks to the sponsors' support, on the 23rd and 24th July the annual edition of the West Coast Cup has taken place in Koksijde, in the North of Belgium.

This stunning searward town is the special location of sport events of great importance like the West Coast Cup, the Duinencross Koksijde Cyclo Cross and the Uci Cyclo Cross World Cup. The Museum of the Abbey of Ten Duinen in Koksijde explains the religious and cultural role that this church has had in the history. It shows the daily life of the cistercian monks since the time of their settlement in 1107 until the death of the last monk in 1833. The archeological site has been restored and is now visible from the road that leads to the sea. The attic of the museum contains a remarkable collection of liturgical silver ware.

The British Military Cemetery (1940–1945) bears witness to British sacrifices in the Battle of Dunkirk (Dunkerque), 10 km far from Koksijde.

The shoreline in the area of Koksijde is the only place in the world where horseback shrimp fishermen still ply the shallows along the coast for a special variety of grey shrimp from late-June to early September. The special variety of shrimp, known as grijze garnalen, turn up in Belgian specialities like tomate-crevettes (tomato-filled shrimp soaked in marie rose sauce).

In other words, there are many reasons why coming here. The first and main one is that the West Coast Cup is one of the best organized arabian horse shows. Besides, this is a place teeming with attractive features among which the delicious food.

Unfortunately this year West Coast show was not an Ecabo show. A big shame as the show has always been one of the best in Europe. Mr. Detailleur informed Ecabo about the changing of date but, due to the busy show calendar, Ecabo didn't accept.

We hope the problem will be solved for next year as, in our opinion, shows like West Coast deserve to be Ecabo shows.

At the end of this article you will find an interview with Mr Detailleur.

As the show was not an Ecabo one, the judges and the officials were not registred in Ecabo.

A lot of breeders participated in the show with a good number of entries.

Mr. Detailleur invited some important breeder and they did a great job.

The atmosphere was very nice and everybody enjoyed during the event.

Mr. Konrad Detailleur has accurately managed the two day competition. The judges for the event were Mr. Adel Abdelrazak (Egypt), Mr. Giuseppe Palumbo (Italy) and Mr. Fabio Amorosino (Brazil).

The scoring have been managed by Mr. Michael Steurs from Belgium (www.arabianhorsereults.com).

An exquisite catering has delighted the VIP guests who have tasted delicious typical food and several sweet desserts during the show. Next year everybody is invited to come here to Koksijde for the West Coast Cup taking the opportunity to visit the beautiful surroundings of the town.

Enjoy now the pictures and all the results from the show by our photographer Mr. Jan Kan. □
