Marilyn Sweet and her late husband Peter founded Sweet Photography in the late 1970's in the UK.

In December 2013 Marilyn became the first UK photographer to be appointed as the Official Photographer to a Middle East Show when she was invited to the King Abdulaziz Arabian Horse Center Championship Show held in Dirab, Riyadh, Kingdom of Saudi Arabia. She was also Official Photographer for Prince Sultan Bin Abdulaziz International Arabian Horse Festival 2016.

Sadly Peter passed away in April 2016. Sweet Photography continues with Marilyn assisted by twin daughters Joanna and Natalie.
