

Nasz Marei

*Our great friend Dr. Nasr Marei passed away.
I have shared with him many moments around the world.
We have spent 20 years together sharing unforgettable time.
I have so many memories of him, I learnt so much from you Dr. Nasr.
Words can not convey what I am feeling in my heart.
We all at Tutto Arabi are very sad and we continue to think that he is still with us.
We have in our archive many galleries and words written by him that we will republish time to time to revive our friend. In this number we would like to publish the Reflections and Colours.
Nasr was a breeder, a horse lover, an amazing photographer, a great writer and a possible art*

*director of a magazine.
His talent and his skills were a big help for our magazines Tutto Arabi and Desert Heritage.
He was a wise man and he was close to me when my parents passed away.
He was close to me when my son was born.
He was a great and faithful friend in bad and good moments, when I was nobody and when I grew up and became well known in this world.
I will miss you forever my dear.
Take care
Simone Leo*
