P H O T O G A L L E R Y

I'm Morhaf Alassaf and I've been taking photos for over thirty six years. I'm originally from Syria. I'm now based in UAE. I discovered my passion for photography at an early age. I began my journey in Syria as a freelance photographer. I offer various photography services from portraits, weddings, sports and others events. I was first introduced in horse photography in 1986 in the beautiful city of Abu Dhabi and fell in love with it. Through the years my experience gave way for me to become photographer in different horse event here in United Arab Emirates from endurance race, flat race, show jumping, polo games and especially beauty horse show. I'm working as official photographer for Emirates Horse Show (EAHS, DIAHC, SERC etc), a contributor to local and international magazines and newspaper. My previous worked includes various assignments including HH Sheikh Mansoor Bin Zayed Al Nahyan Racing Festival, Meydan, multiple edition of Dubai World Cup among others. I was able to work and travel the world for the past 30 years photographing horse events. Ever since horses have fascinated me in a way that is difficult to describe, they are an amazing creatures. Besides photography and horses, I love travel and adventure.
