*I am Ziggy Wellens, born in Belgium 1992 based in Qatar. A self-taught photography enthusiast with a passion for the Arabian horse. Through this passion I've learned to use my camera in combination with light and location to capture the true beauty that is the Arabian horse. It is the light that shows us the colors in life and this is what I want to reflect on my photographs. Providing powerful colorful images, a strong conformation and composition to showcase the true beauty in front of me.*
