

The Vision

OF AL SHEIKH STUD

It is through the Vision of
Mohammed Al Sheikh
that this young, yet extremely successful
farm has reached in a short couple of years
the top of the world.

With the guidance of Raphael Curti and Uri Shaked,
Al Sheikh Stud has become one of the farms to look at.

In the past years Privilege SFO has hosted some incredible
mares for Mohammed. One of them being the beautiful
and ethereal WILDONA.

Now that her lease with Al Sheikh is over and she is about
to return to her homeland in Poland, Mohammed looks
forward to what she has left behind.

Two precious embryos, one sired by Al Sheikh Stud's
superstar D Mezyan and one sired by the Versace son
Wahaj Albidayer.
