GANADOR

HP Shakir TE x Lonco Baby Maria by HP Emir

2021 will be an exciting year!

HL El Ganador has proved to be an exceptional show horse, gathering honors at the highest levels. Now the time has come to prove himself as a sire!

Some amazing mares are already carrying his babies for 2021.

We cannot wait for next year, when we will finally welcome his first foals.

Thank you to the breeders that have placed their trust in him and best of luck with your future foals!
