

SMA MAGIC ONE | KAHLAH AL SHAQAB

Zuhayr

AL SHAQAB

In the Cover of this Special October edition we find the amazing Zuhayr Al Shaqab (SMA Magic One x Kahlah Al Shaqab) proudly bred and owned by Al Shaqab Stud Member of Qatar Foundation. This great bay colt debuted last year and he was immediately nominated Gold Champion at the 21st Qatar National in 2018.

He caught the attention of the judges for his phenomenal type, charisma and movement.

In 2019 he was moved to Europe to Giacomo Capacci Arabians and he was shown in Menton as his first European show where he was nominated Silver Yearling Colt Champion. His next step will be to be shown in Paris and we can say with no doubts that he is one of the favourite ones to be the World Champion. As the yearling colt Al Shaqab Stud decided with Giacomo Capacci to let him go to Paris directly after Menton. That's really a good idea as we met him this month and we can say he is very fresh, in great condition, with a perfect standing and ready to be top contender for the World Arabian Championship. Under the guide of Giacomo Capacci we are sure he can conquer the attention of the crowd and all the judges.
