

VERVALDEE  
AJ MARDAN  
AJ YAS  
AJ SAYER

With a sireline like his,  
there was no question he would  
turn out to be just as incredible as he is.

He is not only astonishingly beautiful,  
he also holds all the promises to become  
just as incredible a sire as the stallions  
in his pedigree.

And if his sireline wasn't enough proof  
of what an outstanding pedigree he has,  
his dam, the beautiful Sama AM carries  
with her the blood of two legends of our breed,  
Marwan Al Shaqab and Eden C.

We are thrilled to see the future of Aj Sayer  
unfold before our eyes.
