

IN THE END
WE ONLY REGRET THE
chances
WE DIDN'T TAKE!

A chance we will never regret!

The decision of purchasing the genetic giant AJ PORTOFINO has proven right as his first foals bred by Samjad Stud have hit the ground. The very first baby is a beautiful grey filly out of Elizia Alfabia, a daughter of the Samjad Stud very own ZT Magnofantasy. This special little girl has set the bar very high for the 2021 foaling season.
