ForteVillage

SARDINIA

WORLD'S LEADING RESORT
- SINCE 1998 -

A RESORT JUST A BREATH AWAY FROM THE SEA

EXCLUSIVE AND PRIVATE

Forte Village Resort is located on the enchanting south-west coast of Sardinia, 40 km from Cagliari, an hour's flight from Italy's main cities and just over two hours from the European capitals. Its prime beachfront position enables guests to step through beautiful gardens straight onto soft white sands and immerse themselves in the clear turquoise blue sea.

Forte Village enjoys a special micro-climate, proven scientifically to be the only one of its kind in Europe.

The mountains behind the resort protect this part of the coast from cold northerly winds, guaranteeing over 300 days of sunshine a year and temperatures 3-4 degrees higher than other places on the same stretch of the Mediterranean.

Everything is designed so that each guest can choose the things they enjoy most to create their perfect holiday, couples and families alike. Relaxation and romanticism, rest and entertainment, natural wellbeing, creativity and fun for the kids. Forte Village provides everything and more.
