

Daniele, João and Chiquinho Rego

by Simone Leo

The editorial staff of TuttoArabi visited one of Brazil's most important handlers, Chiquinho Rego. Suffice to say that he was born surrounded by horses. His father owned Arabian and race horses in Paraná. Chiquinho, nicknamed Chiqo, immediately showed interest in following his father's passion and when he was just 8, he started riding at the famous Hipismo Classico e Rural school in the Paraná State. Aged 14, his love for the Arabian horse led him

to work with the breeder Niguel Nasser and, afterwards, to try new adventures at a large stud owned by a Japanese entrepreneur, who had already set up a large factory in Paraná. He ended up staying there for four years. With him he had his great debut at the Brazilian National Championship in 1991, where he was immediately named national youth champion of western pleasure and best young presenter. This start of an uninterrupted career allowed

was absolutely amazing, with Chiquinho he succeeded in obtaining the title of best horse of the year with \*Von Herte Kadu, the title of Best Colt of the year with \*Von Herte Katsuo, best female of the year with \*Von Herte Manida and the second prize with another mare from the stud, \*Von Herte Onee. Finally he

Chiquinho to open his own stud last year, called Chiquinho Rego Training Center. Back to the past, in 1992 Chiquinho started working with Haras Fabrini, a prestigious and extraordinarily powerful stud, where he met Michael Byatt who came to visit the stud. Chiquinho was absolutely struck

was awarded the title of National Champion Fillies thanks to \*Von Herte Only You. That year, Chiquinho presented and won also with \*Af Labella, National Champion Mare. After this exciting experience, Chiquinho set up Foxi Training and continued his unstoppable career, winning several titles with \*Exspress Lm, \*Mirage LM, \*Sc Carife,

by him. The following year, he decided to expand his knowledge and worked, for one year, in the USA at the famous Rohara Arabians as a handler. The year after, he went back to Brazil and started working at Haras Caranda of Paquito Carrasco, but in the same year Rohara Arabians invited back the handler, this time as a trainer and presenter, to work alongside the famous Jahn Rannemberd. Subsequently another meeting contributed to widening the young trainer's knowledge even more: he met Ernesto Guardini of Haras Von Herte. Tired of shows, Von Herte was absent from competitions for as many as eleven years, but with him he found the willingness to compete and put himself to the test. The first year of his return, which

\*Shazin and \*Fabol FHP. In 1997, in Jurocaba he won the title of Champion Young Mare with \*Talyreina, Reserve Champion Mare with \*Navia HCF, Champion Filly with \*Betina Prince and Champion Stallion with \*Ninija El Jamaal. The following year, he worked

important American and Canadian events. He continues to work there. In 2009, the breakthrough came with the opening of the Chiquinho Rego Training Center. "After twenty years of experience, I realized that it was time I had my own center, and I am very happy with this choice. My customers have followed me with enthusiasm,

with the Hafati stud, with which he won several titles and has fond memories of one horse, \*Flowers FHP. In 1999, the famous American stud Double Diamond contacted the handler asking him to train and present horses in US circuits. These were two years of hard work, to try to be competitive also

and they know that they can count on my utmost attention, that they can receive an efficient service, and their horses are safe". The center has nearly 40 loose boxes, an in-house vet laboratory and an indoor manège. The loose boxes are large, cleanliness is de rigueur, ventilation is ensured by large windows and water flows automatically to

in America. But it was definitely worth it, as Chiquinho managed to be named Canadian National Champion, US National Champion, and to end up among many top ten in the most important shows. On his return to Brazil in 2001, he decided to freelance for Haras Namahe Paciencia e Ilha da Caphada and for the Ranch Stud. That year, he managed to win the titles of National Champion with \*Sarmata, Reserve Champion Filly with \*Marvella Ranch and 12 top five. The subsequent year, he met Polè Levy of the Jaguar Training Center, where he worked steadily for six years. With the Jaguar Training Center he was awarded numerous titles. In this period, he kept working in the USA, mainly for Bob Boggs, in the most

the loose boxes. Chiqo has decided to live with the horses by building his house next to the stud, so he can guarantee a constant service to his customers. An automatic arena helps with the conditioning of the horses. Access to the stud is large and the road to get there

horses, is assisted by Celio Jr., his son. Wagner Alves de Barros has twenty-four years of experience and is also a truck driver. Divino Moreira de Abreu has twelve years of experience as conditioner and trainer. Ivo Goncalves Cordeiro has been working with horses for twenty-two years, of which ten years

can be easily reached. The center's facilities include also 8 loose boxes for mares in foal, with a consulting room and an infirmary for the collection of semen, embryo transfer and first aid center in case of accidents. The team that works in the center was not chosen randomly, also because Chiquo has decided

with Arabian horses. Thanks to Chiquo's professionalism, the stud is always full and sometimes he cannot even meet the demand. In the early months of the year, the number of victories obtained by the Chiquinho Training Center were already countless and

such a team fully deserves the successes that Chiquo has been reaping for over twenty years.

to "live in the stud", so his professionalism in his choices is even more guaranteed. As assistant trainer Chiquo has chosen Braulio, with 8 years of experience and an internship at the famous center of Greg Gallun. Celio, the helper, was born and grew up with Arabian
