EKS Alihandro is one of the most captivating show horses of recent years, and he has commanded the show-rings of the northern hemisphere since his debut as a two-year old colt in September 2012. Unchallenged in the ring, EKS Alihandro has also proved himself to be a worthy sire, including through the very special filly, Rewayah Athbah. An impressive bay stallion, EKS Alihandro was bred in South Africa and is owned by the Athbah Stud in the Kingdom of Saudi Arabia. He is sired by the incomparable triple World Champion Marwan Al Shaqab, himself a son of the famed Gazal Al Shaqab

(Anaza El Farid x Kajora) and out of the Fame VF (Bey Shah x Raffoleta-Rose) daughter, Little Liza Fame (ex Katahza by Aza Destiny). Alihandro's dam is the lovely OFW Psylhouette, sired by multiple champion Padrons Psyche (Padron x Kilika). She is out of Hafati Julianna (ex PGN Flirtation by Aristo Kossack), a daughter of RSD Dark Victory (ex Kamasi Sabaha by Khemosabi), the famed son of Bey Shah (Bay El Bey x Star of Ofir).

EKS Alihandro's first show for Athbah Stud was the Prague International B Show, where he comfortably took the Gold Junior Male Championship. From that moment, there was no stopping Alihandro and to this date, he remains unbeaten in the show-ring. Gold titles followed – the 2012 Junior Male Champion at the All Nations' Cup in Aachen being the first of these titles, and the last that Alihandro would not win unanimously.

The next stop for Alihandro was as a three-year old, where he took the Gold Junior Male Championship at the Dubai International Arabian Horse Show. The next show saw another unanimous Gold – the Menton Mediterranean & Arab Countries Arabian Horse Championships. A very special back to back championship in Aachen followed, making EKS Alihandro one of the few elite horses to win the title on consecutive years, and then it was on to Paris for the World Championships.

Here, in the greatest of all the European show arenas, EKS Alihandro received a terrific reception as he made his way into the arena for the highly competitive junior male classes. Statuesque, proud and showy, EKS Alihandro captivated once more and he was unanimously

awarded the title, securing his name forever among the showing elite.

EKS Alihandro has also secured his place among the breeding elite, not least through the incredible success of his beautiful, exotic bay daughter, Rewayah Athbah, in 2015. Out of Fedora RG (WH Justice x Psyches Angel), this very showy bay homebred took a host of titles across Europe in her yearling year, culminating in the Yearling Filly World Championship. Breeders the world over are choosing Alihandro for his great attitude, Arabian type, and length of leg among other attributes.

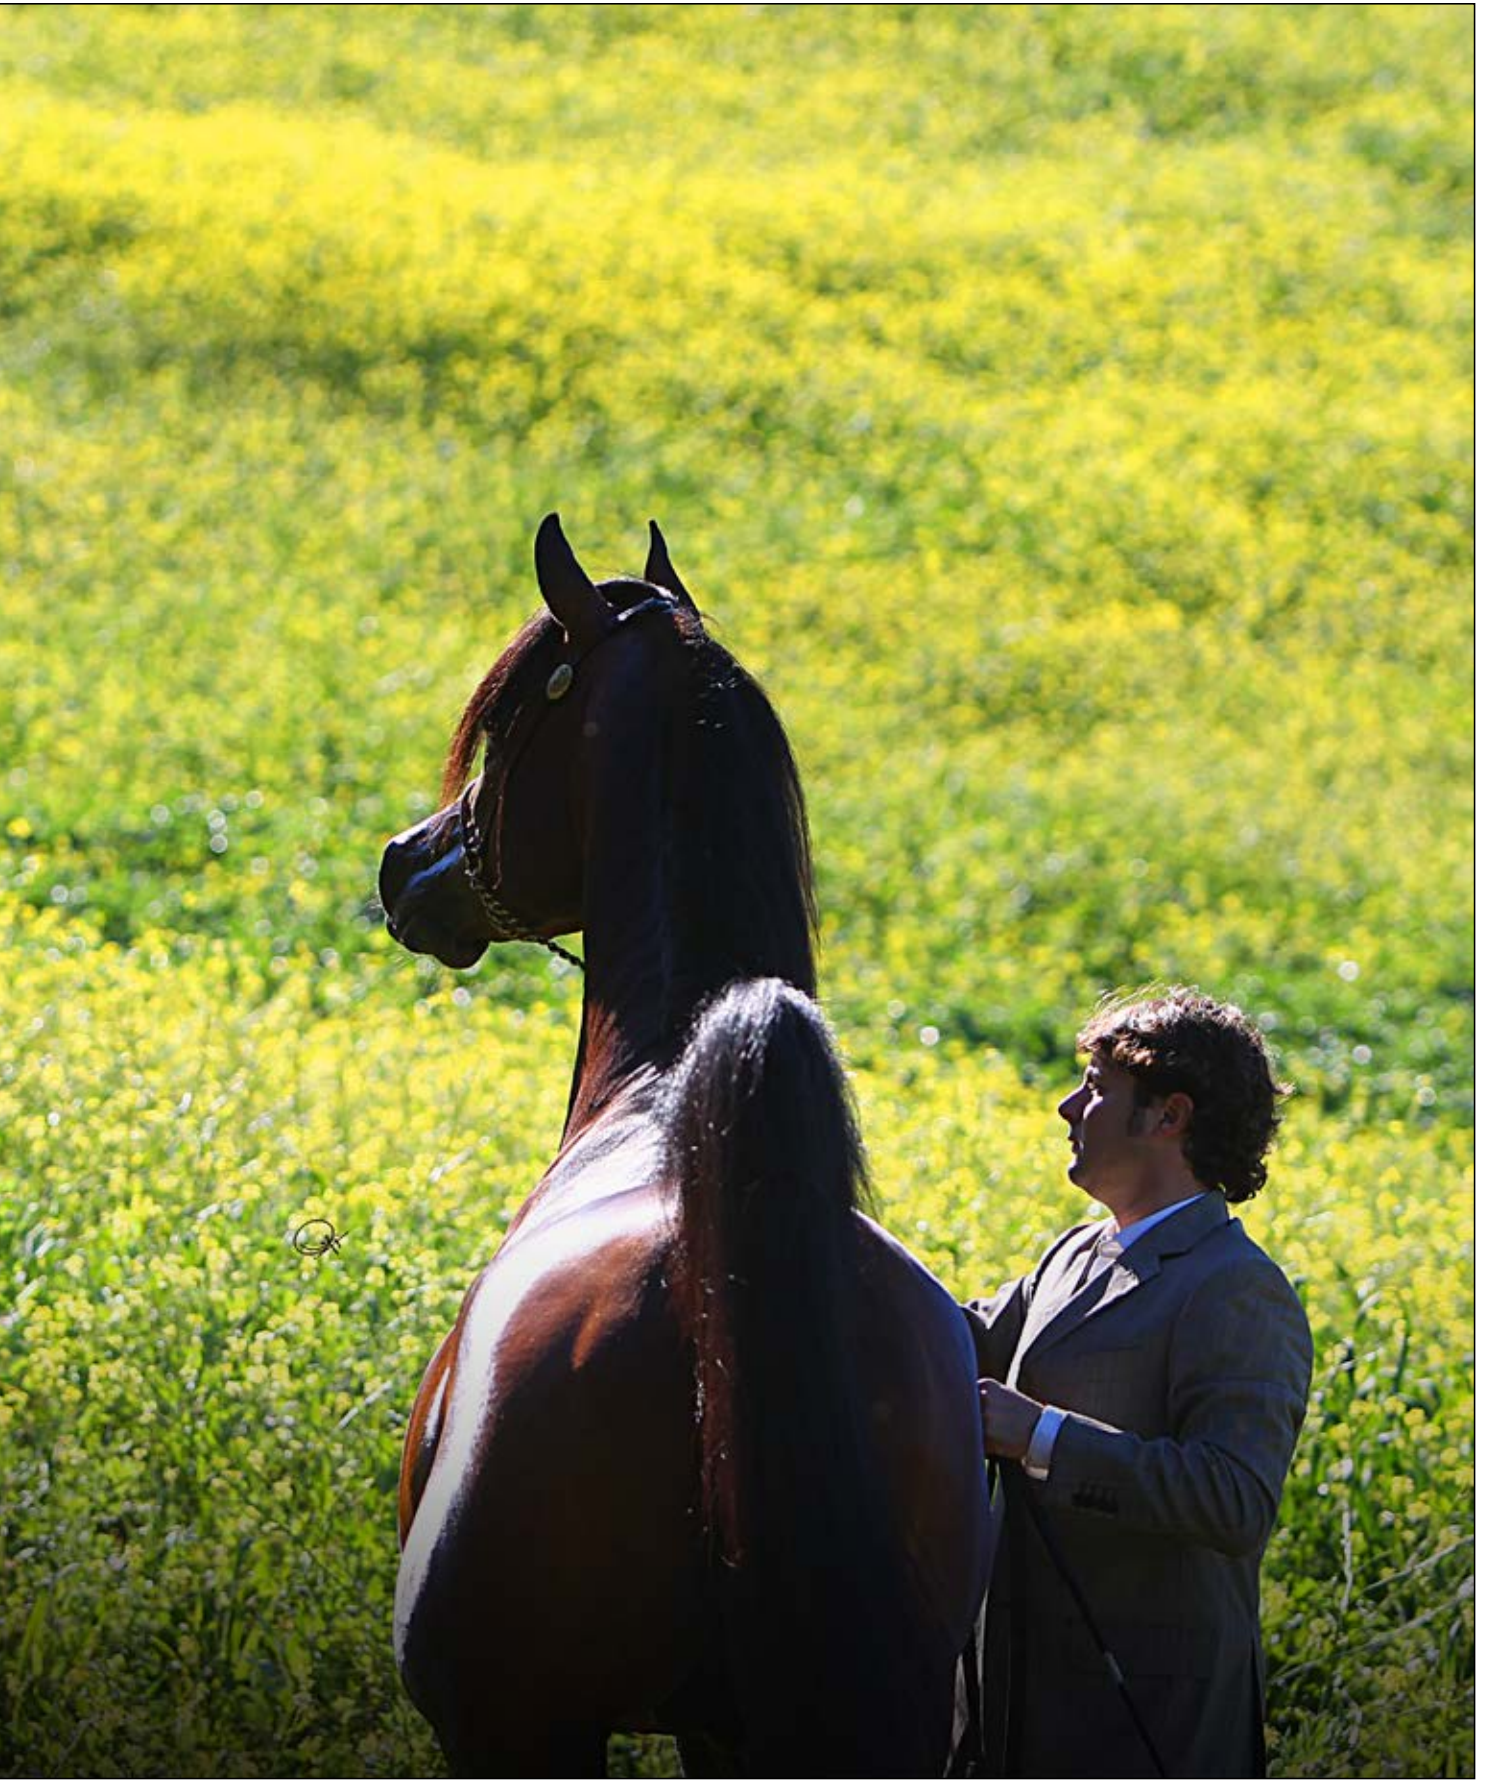

The EKS Alihandro story is still one that is very young indeed, and we can expect to see much more from both this amazing stallion and his wonderful progeny over the coming years.
