# Preface

by Simone Leo and Giorgia Mauri

This book is dedicated to Sheikh Zayed Bin Sultan Al Nahyan, the former horseman and breeder in Emirates. He was the founder of the United Arab Emirates (UAE), the Emîr (Ruler) of Abu Dhabi and the first Ra'îs, President of the United Arab Emirates for almost 33 years (1971–2004). Emirates and EAHS (the Emirates Arabian Horse Society founded in 1985 that registers Arabian horses in Emirates, is the keeper of the studbook and defends, amongst other duties, with dedication and care the heritage and purity of the bloodlines of Arabian horse) are great results of His will and His powerful vision.

With the help of EAHS's Director, Mr. Essam Abdullah Al Hameerie, a first book about Emirates Arabian horses had been published in 2004. After that, things have been changing and developing until nowadays.

Sheikh Zayed died in 2004, in His late eighties, leaving behind a legacy as the Father of the Nation and of the Arabian horse breeding in Emirates. The principles and philosophy that He brought remain today.

Thanks to the support of the Government of Emirates and especially to the support of: the President of the United Arab Emirates and Emir of Abu Dhabi, His Highness Sheikh Khalifa Bin Zayed Al Nahyan, the Crown Prince of Abu Dhabi

Sheikh Zayed Bin Sultan Al Nahyan

and the Chairman of the Abu Dhabi Executive Council His Highness Sheikh Mohammed Bin Zayed Al Nahyan and the Deputy Prime Minister and Minister of Presidential Affairs His Highness Sheikh Mansour Bin Zayed Al Nahyan, the internationally recognised quality of the Arabian horses in Emirates is fully appreciated and promoted. They support all the horse activities and the EAHS, giving prizes to every horse events from the smallest to the biggest ones. In particular, His Highness Sheikh Mansour Bin Zayed Al Nahyan manages horses for the Emiri Family of which He is part. He is a great horse rider and participates in many National and international competitions. He is also the Founder and the Patron of HARC (Heritage Arabian Racing

HH Sheikh Mansour bin Zayed Al Nahyan  
Deputy Prime Minister and Minister of Presidential Affairs

Club, which aims to encourage the racing of all Arabians as part of a selection test as has been carried out traditionally in various countries over centuries to preserve the breeds' distinctive characteristics and qualities equally with speed). He is particularly interested in Arabian horse halter shows where often he is present as their Patron.

# *Introduction*

by Essam Abdullah

Dear Readers I am happy to introduce to you our Emirates Arabian Horses Book.

This book is dedicated to our former horse lover HH Sheikh Zayed Bin Sultan Al Nahayan's concern for reviving the glory of the breed, as it was in Arabian tradition.

Soon after the world began to demonstrate its concern for the Arabian horse by founding the World Arabian Horse Organization (WAHO), the Stables of HH Sheikh Zayed applied to become an individual associate member of WAHO, in 1986. The UAE first participated in a WAHO conference in November 1986, held in Morocco. Since then the UAE has never been absent from the international field, taking all steps for improving the status of the Arabian horse. In August 1988 two delegates from the UAE representing the Stables of HH Sheikh Zayed, participated in the 1990 meeting in Scottsdale, Arizona. In November, 1992, the UAE participated in the WAHO conference in the Arab Republic of Egypt. It also participated, in September 1994, in the conference in Morocco, as well as organizing an exhibition to inform others about the country's rapid development.

From the beginning, the UAE set out to register the origins of all purebred Arabian horses in the country. In September 1988, two WAHO council members were invited to discuss with HH Sheikh Hazza bin Zayed Al Nahayan the possibility

of founding a registry office to be approved locally and internationally, and to make the necessary contacts with WAHO. After HH Sheikh Hazza approved the initial steps, the work has gone rapidly. In March 1989 the UAE was accepted among countries applying for WAHO membership. In November of the same year, an office for the UAE's horse archives was set up, equipped with all means of local and international communications to begin the registration process.

The beginnings were simple, but with big achievements. It began with the Emirates Arabian Horse Society releasing the first book of the origins of UAE horses in 1989, just a few months after it was established. In less than a year (January 1990) a copy of the book was delivered to WAHO. After being approved in the regular meeting of the 1990 WAHO conference in Scottsdale, Arizona, the UAE became a full member of the organization.

The society made use of all means of international communications and different ways of recording and examining information. In May 1993, the Society became linked to the USA horse registration data base, and in September 1994, to the international information net for Arabian horse registration / second only in the world (after Canada).

The Society also made use of electronic identification registration of all locally bred foals through the implantation of identification chip. Afterwards, the Society began exploring ways of expanding its targets and to invite WAHO to host its conference in the UAE / a country with a

long link with the Arabian horse. In January 1993 the UAE (represented by HH Sheikh Hazza) formally invited WAHO to hold its 1996 conference in the country. The invitation was unanimously accepted after being discussed by the executive committee of the organization in its meeting in London. The Society has been long preparing to receive this conference to demonstrate the UAE's continuous and genuine efforts to preserve the purity of the Arabian horse breed. Since 1997 I am the President of Emirates Arabian Horse Society and I am glad of the development of Arabian horses in our country, the Emirates and in the world. Nowadays EAHS organizes the following 10 shows per year:

- Sharjah Straight Egyptian Show
- Sharjah Local Show
- Fujairah National Arabian Horse Show
- Emirates Arabian Horse Breeders Championship
- Ajman Arabian Horse Show
- UAE National Championship
- Abu Dhabi International Arabian Horse Championship
- Sharjah International Arabian Horse Festival
- Dubai International Arabian Horse Championship
- EAHS National Championship

Horses in Emirates are very important and our breeders have the goal to breed the best horses. In the last years many of the World Champions, Menton Champions and Aachen Champions were homebred in Emirates. Furthermore in the last years many new studs opened and participated in our shows.

In conclusion I wish you all a good reading.

## Sites where Arabian horse shows are held in Emirates

# Abu Dhabi

It is the capital and the second most populous city of the United Arab Emirates (the most populous being Dubai), and also capital of the Emirate of Abu Dhabi, the largest of the UAE's seven emirates. Abu Dhabi lies on a T-shaped island jutting into the Persian Gulf from the central western coast.

The city houses federal government offices, is the seat of the United Arab Emirates Government, home to the Abu Dhabi Emiri Family and the President of the UAE, who is from this family. Today the city is the country's center of political and industrial activities, and a major cultural and commercial centre, due to its position as the capital.

# Dubai

It is the most populous city in the United Arab Emirates (UAE). It is located on the southeast coast of the Persian Gulf and is the capital of the Emirate of Dubai, one of the seven emirates that make up the country. Abu Dhabi and Dubai are the only two emirates to have veto power over critical matters of national importance in the country's legislature. The city of Dubai is located on the emirate's northern coastline and heads the Dubai/Sharjah/ Ajman metropolitan area. Dubai will host World Expo 2020.

Dubai has emerged as a global city and business hub of the Middle East. It is also a major transport hub for passengers and cargo. The city has become iconic for its skyscrapers and high/rise buildings, in particular the world's tallest building, the Burj Khalifa.

# Ajman

It is the capital of the emirate of Ajman in the United Arab Emirates, located along the Persian Gulf. It is the smallest emirate in the UAE. The city has more than 90% of the population of the emirate. The urban area runs directly into the city of Sharjah along the coast to the south west, which in turn is adjacent to Dubai, forming a continuous urban area.

Tourist attractions in the emirate, including hotels, shopping and cultural destinations are growing rapidly. Tourist attractions include the Ajman National Museum situated at Ajman Fort, the Red Fort and the museum in the inland enclave of Manama.

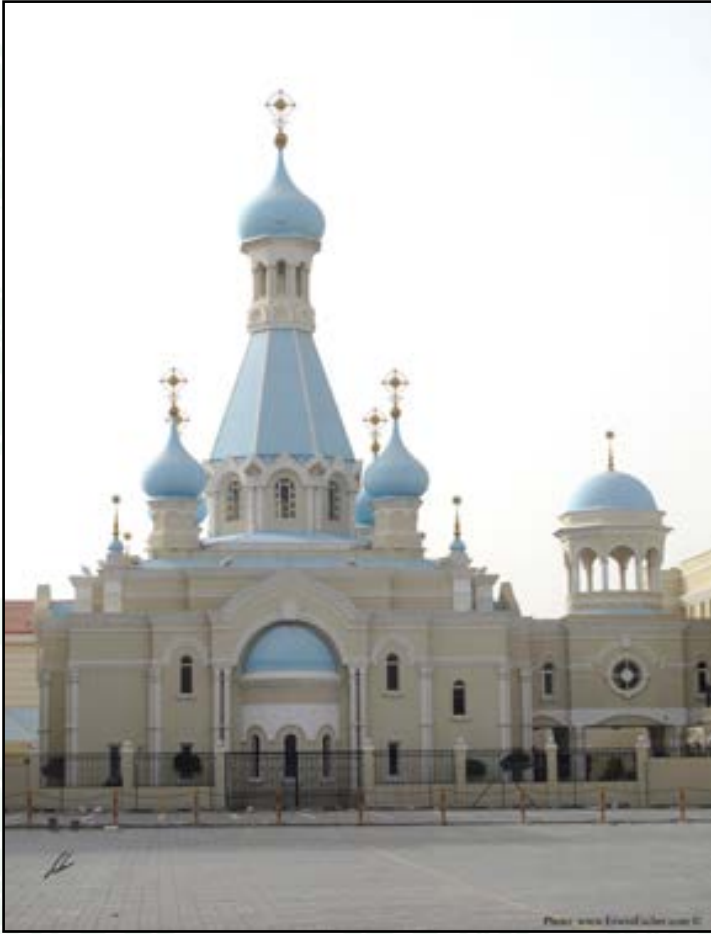

# Sharjah

This is the third largest and third most populous city in the United Arab Emirates, forming part of the Dubai/Sharjah/Ajman metropolitan area. It is located along the southern coast of the Persian Gulf on the Arabian Peninsula.

Sharjah has been officially named as a WHO healthy city. Sharjah is regarded as the cultural capital of the UAE.

Sharjah is the capital of the emirate of Sharjah. Sharjah shares legal, political, military and economic functions with the other emirates of the UAE within a federal framework, although each emirate has jurisdiction over some functions such as civil law enforcement and provision and upkeep of local facilities. Sharjah has been ruled by the Al Qasimi dynasty since the 18th century.

# Fujairah

It is one of the seven emirates that make up the United Arab Emirates, and the only one of the seven that has a coastline solely on the Gulf of Oman and none on the Persian Gulf. Fujairah is home to the oldest mosque in the United Arab Emirates which was built in 1446 of mud and bricks: Al Bidyah Mosque.

# Interview

with Essam Abdullah

by Simone Leo

During my time in Emirates and several shows I had the opportunity to talk with Essam Abdullah the Director of EAHS, embracing different topics. I have been knowing Essam since 2003 and I had the chance to see how EAHS developed the shows and the Arabian horses in Emirates by a very clear and open vision. Already in 2003 during my first visit in EAHS office understanding and imagining the future that Essam described to me was easy. I still remember what he said: "our goal is to have an association that helps breeders with the same space for big or small ones, we would

like to organize with the support of the Government as many shows as possible giving to the people the chance to invest money in Arabian horses to get satisfaction in show".

After few year Essam had already another vision. "Our association now needs to have strict rules in the qualifications. The number of breeders increased and for what I saw Emirates will be leader in the shows very soon". "We also need to put prizemoney to give to the people economic benefits and I hope with the help of the government we can give prizemoney in our shows".

Emirates another time was in front of other countries and were the first country to put prizemoney in the shows.

At that age ECAHO took also advantage on that as a tax of 3% (which doesn't exist anymore) on the prizemoney were introduced and that helped ECAHO to have better budget. After some years this tax was cancelled as EAHS went out of ECAHO as they were highly disappointed about how the budget were used and for other reasons that will come later in the article.

Now for the second year EAHS is organizing once more

one ECAHO show per year (amongst the 10 organized in total). In my opinion it is their first step to have a proficue cooperation between them and to try to have EAHS in the ECAHO again. ECAHO really needs Emirates and in addition to that, it is a pity having just one ECAHO show per year.

We asked Essam:

**TuttoArabi:** How did you become involved with the Arabian horses and what is that intrigues you the most?

**Essam Abdullah:** When I was young I have spent days at a public riding school I have been really loving Arabian horses since the first moment I met them. I experienced their loyal nature and the character of Arabian horses. I visited shows and met people and I was completely involved by their love. Then I started to study them and thanks to the friendship

with Sheikh Zayed I was involved in the association. After some years I was completely part of ECAHO when Ferdinand Huemer was the President being the first Arab person to be member of official executive committee.

**TuttoArabi:** Let's start from the basics, given the fact that some people are still not clear about the role of ECAHO. What does it do?

**E.A.:** In every sport disciplines, it is necessary to develop a lot of uniformity and standardization, with strict rules. This is why ECAHO was created. The same was for WAHO.

The goal is safeguarding and ensuring the welfare of the Arabian horse field. That is why ECAHO was established almost 30 years ago, and since its inception it has always been a reference point for breeders. I really like the organization ECAHO but there are some rules that are not adapted to the current situation.

**TuttoArabi:** Tell us more why did you go out of ECAHO?

**E.A.:** I really worked hard for ECAHO introducing new ideas and new prospect. We also accepted the tax that was created when we decided to put prizemoney. Until

Ferdinand Huemer was the President we fully respected ECAHO. What we didn't like was the changing after that and also the constitution that was not up to date.

**TuttoArabi:** We know you were very close to be the ECAHO President. Why didn't it happen?

**E.A.:** Because there are some rules in the ECAHO to avoid one Arab person can be President. It is really strange since on the one hand ECAHO accepted the affiliation of Arab countries and on the other hand it tried to avoid Arab people to be President. I think besides my case that ECAHO

needs to be fair and to give a chance to everybody to be President if elected. There are also some points in the Blue Book that are very old and need to be rewritten. We gave to ECAHO our vision and our ideas but so far without any answer. In my opinion the aim is to improve the Blue Book and make it even clearer meeting the current needs.

**TuttoArabi:** Are you a breeder or a judge?

**E.A.:** Not at all my first promise when I became the director of EAHS was to be fair and work just for the association, not for my personal interest but for breeders. This is why I am here from 20 years. I am not an owner I am not a breeder I am in clear and fair position. Another thing that is very important is that our shows are organized thanks to the government. We don't need any sponsor and this is something really important as it permits us to be in the fair position.

**TuttoArabi:** This is why AHO was created clearly at the service of breeders: is that correct?

**E.A.:** Yes this was the challenge to create an association

dedicated to the breeders and the focus on the breeders. I was one of the founders of Aho and at the moment I am inside the board. AHO is organizing many shows by year and the European Breeders Championship and World Breeders Championship in Chantilly are the most important ones.

**TuttoArabi: Is AHO against ECAHO?**

**E.A.:** Not at all. My idea is that the two associations need to work closer together. AHO is more modern and faster in the decisions. ECAHO is the Association that we really need as together with WAHO has the register of Arabian horses.

**TuttoArabi: Do you think you can have a triple role in ECAHO, AHO and EAHS?**

**E.A.:** Yes I do. If I will be again inside the board of ECAHO as the executive committee I will be able to help the associations to work better. Now Emirates in the gulf is the most important country: they need us and we need ECAHO.

AHO has different challenge so the three associations can work in deep relation and proficue way. I really hope that we'll have this in the future.

**TuttoArabi: Returning back to the EAHS shows we were impressed about your national show with the**

record of entries in one Arabian Horse show of 620 horses! How did you reach this point?

E.A.: We have reached this point with the help of all the breeders and the government that gave us a great budget with big prize money.

Our system is fair we invite the best judges and we give the same amount of money from number 1 to number 10 in the class. Besides that we organize 2 championship 1 for the horses are owned by Sheikh one championship for the normal breeders. In this way we have 12 championship and we distribute the money in equal way. This encourage the breeders to be in the show. The breeders are happy and we have the best show in the world. Our national every

year has the record of entries the record of breeders in one show. This is year i have put in the catalogue all the names of partecipat and we have 390 participant.

I am really impresses about the organization of EAHS. And the hotel you choose for the official and judges are always the best. How you can make everything very easy like managing 10 shows by year?

E.A.: One of the secret is my team. I work with the same people since many years. They know me and i know them. I can count on it as they know how to manage the shows and to manage the office papers. This is why now in Emirates we have more then 12000 horses registred and the number

of horses and breeders increase every year. In my opinion you need to have in one organization just 1 leader and the positive board and one team office. If there are too many chief the things can not go in good way. I take the responsability and i choose my people is the only way to manage one association so important as in Emirates.

We end our conversation with Essam with a clear point we really need one person like Essam in our world and we really need one person like hin to let the 3 association Ecaho. AHO and EAHS working together for our future. It 's not a time to defend his own garden but it is time to work closer.

# The use of Arabian horses in Emirates

by Giorgia Mauri

The use of Arabian horses in Emirates under saddle covers many disciplines, probably Arabian horse are the only breed that can be used in so many different ways. Starting with the widest and most popular endurance races, as well as speed races on the racetracks, going through many pleasure classes, western reining and trails, cross country, ending on strict classic disciplines like dressage or show jumping. Surely Arabian horses are the most successful in endurance, there is no other breed that can keep running for several hours more than 160 km. Arabians have amazing capability of recuperation what probably makes them so irreplaceable in this discipline.

Sadly many times it is forgotten, how Arabian horses can be powerful and what a wide spectrum of their use there is. Arabian horses proved themselves to be wonderful saddled horses, their intelligence make them extremely trainable, they are very strong physically as also mentally with huge spirit of fighting. Arabian horses are characterised with highest level of stamina from all the breeds, and small demands in feeding make them surviving most extreme conditions. Surely it is not realised by many, that the efficiency of using a feed among Arabian horses is three times better than at warmbloods. That means for the same amount of work Arabians need three times less food.

This feature undoubtedly comes from their origin where they had to survive on hot deserts of Arabian Peninsula. Due to their amazing trainability and intelligence and most honest heart ever these horses are capable to do any performance and break any stereotypes.

For many people Arabian horses are associated just with a beauty. Kind of art to be admired and watched over, that people can feed their senses with pleasure of experiencing something sophisticated and unique.

Must be always remembered that Arabian horses are wonderful riding horses just for pleasure, as much as they are our companions so we will never be bored while going to hack out with them. They have many lovers, undoubtedly the ones who ever had worked and trained Arabian horses will remain forever in love with them.
