After his spectacular sale to Sweden Arabians and his outstanding success as a sire and a show horse in Europe Magic Magnifique - owner of one of most beautiful faces the Arabian horse world has ever seen as well as the rare black colour and the great conformation well proven at the shows, he went to reign the American soil. What are his successes and his further plans says his current proud owner - Kathleen Olsson.

Since I was a young girl I have always admired the work and the horses of Midwest. I contacted David Boggs and he showed interest directly sending the first trainer of Midwest to my farm in Sweden.

He felt in love with Magic Magnifique and the deal was done. Magic Magnifique became the first horse from Scandinavia to arrive to Midwest Arabians!

MAGIC MAGNIFIQUE - THE CHAMPION AND SIRE EXTRAORDINAIRE

The moment that brought to me the biggest satisfaction and most beautiful memories while Magic Magnifique's being on American soil with Midwest was when he first went class-winner and then became Gold Champion Stallion at Arabian Breeders Cup in Scottsdale, Arizona 2014. It was an amazing feeling and he never looked better and I will never forget that day. Looking back to his breeding career in the US - his cross with the American type of Arabian horse has been certainly very successful as well. Magic Magnifique's exotic type, something that he always passes to his offspring is a good match with the American Arabian horses.

Being asked about the further plans for Magic Magnifique I can say that I'm extremely happy with my stallion. At the moment I have some lovely fillies that will bring my farm to the next level I hope. For now I have no plans of replace him. He is my boy and I hope he will be that for a long time. There is a lot of outstanding offsprings by him around the world until now. This show season I will have 3 fillies that will be shown. For me this three fillies have something extra and are certainly one of the best foals of Magic Magnifique. I will continue the chosen path to have Magic Magnifique as a highly respected sire producing extraordinary foals that now are starting to become champions and future stars all over the world. It makes me so proud to be a part of that journey. My stud farm has also some new top

producing mares as Mayana, by BJ Thee Mustafa, dam for example the multi champion HD Sir Ibn Massai. Also Gazals Serina, a typey daughter of Gazal Al Shaqab and granddaughter of Simeon Shai. I have also leased some interested mares and one special filly by Magic Magnifique that I will show in Europe this year. Personally speaking - me and Magic Magnifique we have special relation with each other, full of understanding and it really feels like it is mutual love. I continue to ride him, as much as I can. He enjoys to work and it is good for both of us!
