On the 22nd of July, the picturesque Dennenoord Arabians farm in The Netherlands came alive with excitement as Rob Heijmans hosted an Open Day like no other. A great atmosphere, fantastic food and people from all over the world gathered together at the farm in Landhorst.

The Heijmans family, deeply passionate about Arabian horses since 1975, has cultivated a rich legacy of equine excellence. This tradition began with Mr. Heijmans Senior, whose enthusiasm and knowledge were passed down to his wife, Mrs. Heijmans, and eventually to their son, Rob.

Today, Dennenoord Arabians is proud to be the home of 25 of the finest Arabian horses, including the exquisite champion filly, Gloryana—affectionately known as “Barbie.” Gloryana is a stunning daughter of Pandorez O and Psafeena by Padrons Psyche. Pandorez, who was leased to Dennenoord last year, has left a remarkable legacy with many of his offspring showcased at the event.

One such offspring, the dazzling Pandolina out of Walina KA, captured everyone's attention with her spirited movement and striking presence. Other remarkable foals included the elegant and dynamic Sara (Halyr Meia Lua x Saffron Lilly) and the graceful Prada by AFM Faraa out of Pampa.

The event also featured an impressive presentation of show horses under saddle, highlighting Rob's commitment to the riding capabilities of his horses. MJ Wild Narciiiza by Profendor KA showcased a profound bond and trust with her rider, while the talented Tara den Hartog wowed the audience with a stunning dressage performance on Primeval Kossack by Stival.

EKAJA BY MORION

Following the ridden demonstrations, the spotlight turned to the magnificent mares of Dennenoord. Among them were the spectacular Ekaja by Morion and the classic beauty Pampa by Gazal al Shaqab. Although not showcased that day, the charismatic OA Electra by Wakil al Jassmiya out of Rosaleigh by Magnum Gold has recently joined the esteemed broodmare collection.

With unwavering dedication, Rob Heijmans is steadily building a robust foundation for his revitalized breeding program. We eagerly anticipate the arrival of next year's foals and the continued success of Dennenoord Arabians!
