WIEZA'S DIAMOND ORA AND AF MADEN  
WELCOME THE ARRIVAL  
OF THE WIEZA NOOR ORA  
& SUPREME JUSTICE ORA FAMILY

text by Cesar Schmidt

Wieza's Diamond ORA  
(\*Supreme Justice ORA x Wieza Noor ORA)

Some breeders possess a rare combination of passion, vision, and commitment that elevates them to the role of true guardians of the breed. José Alves is undeniably one of those individuals — a horseman whose eye is constantly drawn to the great pillars of breeding: internationally proven sires, legendary bloodlines, and maternal families that leave an enduring legacy across generations.

Guided by this philosophy, José Alves has carefully selected the very best of global Arabian horse breeding. Today, his program encompasses an extraordinary band of approximately 350 broodmares, distinguished by exceptional conformation and pedigrees rooted in the most celebrated international bloodlines.

For over 35 years, Haras JM has been shaped with unwavering intensity, consistency, and devotion. This long-term dedication has produced remarkable results: over the past 25 years, the farm has been repeatedly honored as Brazil's Leading Halter Breeder and Exhibitor, firmly establishing the JM breeding program as a benchmark of excellence within the national Arabian horse scene.

Relentless in his pursuit of genetic excellence and exceptional quality, José Alves placed no limits on his plans. This mindset led to the incorporation of exceptional bloodlines and individuals that today define both the identity and future of Haras JM.

## WIEZA'S DIAMOND ORA AND THE STRENGTH OF A MATERNAL DYNASTY

Among the most defining acquisitions in the history of Haras JM stands the exceptional Wieza's family — a maternal line distinguished by consistency, beauty, and proven championship production. At its center is the internationally celebrated mare Wieza's Diamond ORA, whose influence now forms one of the cornerstones of the JM breeding philosophy.

José Alves' vision as a breeder extends far beyond the ordinary. Throughout his journey, amid countless opportunities, it was his deep admiration for Arabian horses — and especially for the extraordinary and reliable maternal family of Wieza's Diamond ORA — that inspired a decisive and historic step in the evolution of Haras JM.

WIEZA'S DIAMOND ORA

Guided by this conviction, José Alves made the remarkable decision to acquire the entire Wieza's family for the JM breeding program. With this strategic move, Haras JM welcomed Wieza Noor ORA, the dam, along with her offspring Wieza's Diamond ORA, Wiezas Jewel ORA, Wieza Suprema ORA, and Kwieza Sharif JM — securing one of the most valuable maternal lines in modern Arabian horse breeding.

Wieza Noor ORA, the dam of Wieza's Diamond, is a distinguished daughter of Hariry Al Shaqab, out of the exceptional Wieza Mocy, the unforgettable daughter of QR Marc. This pedigree combines refinement, strength, and proven championship genetics, forming the foundation of a lineage that continues to influence the highest levels of competition.

From the union of \*Supreme Justice ORA and Wieza Noor ORA — both now proudly owned by Haras JM — were born Wieza's Diamond ORA, Wiezas Jewel ORA, Wieza Suprema ORA, and Kwieza Sharif JM. Together, they represent the heart of the Wieza legacy and a central pillar of JM's future breeding direction.

The first among them, and the undeniable inspiration behind the JM program, Wieza's Diamond ORA, is internationally renowned and widely admired. Her show career in the United States placed her firmly in the global spotlight, producing an extraordinary record marked by consistency, dominance, and unmistakable presence. Among her many accolades are:

- **2020 – ARABIAN NATIONAL BREEDERS FINALS – UNANIMOUS GOLD CHAMPION YEARLING FILLY**
- **2021 – U.S. RESERVE NATIONAL CHAMPION TWO-YEAR-OLD FILLY**
- **2022 – UNANIMOUS U.S. NATIONAL CHAMPION JUNIOR MARE**
- **2023 – U.S. NATIONAL CHAMPION JUNIOR MARE**

A product of one of the most powerful maternal lines in American Arabian breeding, Wieza's Diamond ORA holds the rare distinction of being the eighth consecutive generation of U.S. National Champion-producing mares — a truly historic accomplishment. All these victories were earned under the guidance of David Boggs, whose long-standing admiration and dedication to the Wieza family are as well known as the family's achievements.

WIEZA'S DIAMOND ORA

“... BEING THE EIGHTH  
CONSECUTIVE GENERATION OF  
U.S. NATIONAL CHAMPION-  
PRODUCING MARES”

Now beginning her legacy as a producer at Haras JM, Wieza's Diamond ORA has already delivered the refined and promising Jewels Diamond JM, a filly who brought immense pride to José Alves by claiming the title of 2025 Breeders Finals Gold Champion Yearling Filly.

Her full sisters — Wiezas Jewel ORA, Wieza Suprema ORA, and Kwieza Sharif JM — stand as a strong guarantee of continuity for this extraordinary maternal line, not only within the JM breeding program, but also on the international stage. Together, they represent a rare and invaluable genetic treasure, now preserved under the careful and visionary guidance of José Alves.

## THE STALLIONS SUPPORTING THE VISION: \*SUPREME JUSTICE ORA AND AF MADEN

### \**SUPREME JUSTICE* ORA

(WH Justice x LL Albufera)

Haras JM further reinforced its stallion roster with the acquisition of \*Supreme Justice ORA, imported directly from the United States. One of the most accomplished sons of the legendary WH Justice — universally recognized as a true “Champion Maker” — Supreme Justice exemplifies classical Arabian type. This grey stallion captivates with his beauty, expressive presence, and fluid, dynamic movement. He is also the sire of the internationally admired Wieza’s Diamond ORA.

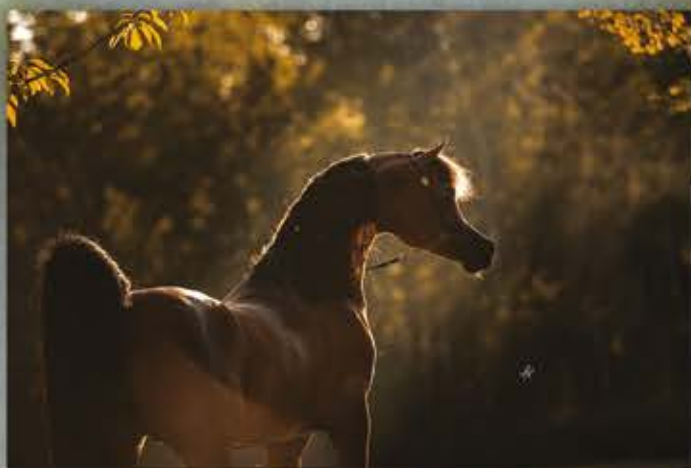

It was through Wieza’s Diamond ORA that José Alves first encountered \*Supreme Justice ORA. After acquiring her as a filly, José developed a deep appreciation for her quality and, upon studying her pedigree more closely, was naturally drawn to the stallion behind her success. This admiration ultimately led to the acquisition of \*Supreme Justice ORA, bringing his pedigree, character, and genetic influence directly into the heart of the JM breeding program.

Complementing this foundation, the captivating AF Maden — one of the most refined and important sons of the unforgettable \*FA El Shawan — joined the program a few years ago, contributing an unmistakable elegance and beauty that today characterize many JM-bred horses.

*AF Maden*

**RFI UNIQUE**  
(AF Maden x RFI Ultraa AlMaktub)

Among his most distinguished sons is RFI Unique, a stallion of exceptional presence and unmistakable Arabian type, bred by RFI Arabians and in partnership with Al Kaiser Stud. RFI Unique has served in Europe with notable success, earning recognition both as a show horse and as a sire. Another prominent son of AF Maden is Vision Serondella, a young yet already influential stallion and the chief sire of the prestigious Haras Serondella. Both RFI Unique and Vision Serondella are Brazilian National Champions and proven producers of National Champions.

*Tapa*

Beyond Brazil, AF Maden has sired numerous champions throughout South America. His most recent offspring, now proudly carrying the JM suffix, are beginning to emerge in Brazilian show rings, marking a promising new chapter in his breeding career and opening fresh horizons for the Haras JM program.

**AF MADEN**

*(father of RFI Unique)*

*Maisa and José Alves Filho*

These and many other exceptional jewels now reside at Haras JM in Brazil — a destination where breeders from every continent are welcomed year-round, a place where excellence is cultivated, heritage is preserved, and true treasures are meant to be shared with the world.
