*The year 2014 came slowly to an end for BOURHANI ARABIANs and it marked a beginning too. The stud moved to EOS Arabians to stay at their beautiful new stud facilities, where the mares and foals are very well looked after in every possible way. There Hannelore Bourdeaux found the perfect place with the service of breeding the mares, plus riding- and stallion management.*

*The horses can enjoy green pastures, new stables, paddocks, outdoor – and indoor arenas and a walking machine to stay in good condition.*

*At the same period, Psynesica, Hannelore Bourdeaux's wonderful broodmare (by Psytadel), who has consistently produced high quality offspring, has found a new caring home in northern Italy, where she has been bred again and for sure will continue to deliver more successful offspring. Her new owner is more than happy about having the possibility to acquire such a proven broodmare.*

*The year 2015 began just perfectly for Bourhani Arabians.*

*On the 8th of January 15 the beautiful PSYRASIC daughter AB Bellissima gave birth to a pretty, very typy filly foal, named BOURHANI FADISSIMA. She is by multi champion Fadi Al Shaqab (Besson Carol x Abba Myra). In the following month Fadissima developed into a beautiful filly, full of charisma, movement and presence. Inside and outside she is all one could dream of. On her first outing at the well known Kauber Platte show in August 2015 Fadissima was very successful. Out of all entered foals – fillies and colts – she not only has won her class but she was also awarded champion foal of the show. She showed with a lot of ease and confidence and was a joy to watch. A perfect weekend for Hannelore Bourdeaux, which was celebrated with breeder friends and trainer!*

*In April 15 Mrs. Bourdeaux got lucky again. Another extremely beautiful, elegant filly foal by EKS Alihandro, who himself was awarded Gold Champion at the world championship in Paris, was born. The dam of the filly is "MF Helona" (by JD Chalice x Heloisa) who has had a quite*

successful showcareer herself. The filly is named **BOURHANI HELANDRA**. This breeding was one of these perfect fits breeders are so happy to be able to make sometimes. When one horse absolutely completes the other in the resulting foal. Helona is a proven producer of high quality, for example she is also the dam of Hannelore Bourdeaux's chestnut stallion **BOURHANI ALDEBARAN** (by Ajman Moniscione) who was in 2014 awarded German National Junior Gold Champion in Aachen. For 2016 Helona is in foal to Marajj (Marwan Al Shaqab x RGA Kouress)

To accomplish the "Dreimäderlhaus" = the girl triplet, begining of July 15 another lovely filly foal was born. It was named **BOURHANI LATEEFA**. The sire is RFI Farid (by RFI Maktub X RFI Fayara El Shiraz), the dam is Julanda OS (by WH Justice x Shak Lavanda). Lateefa has inherited all the necessary ingredients for a fine showcareer, she has three correct paces, moves elegantly and the tail is always up! – The show season is just around the corner...

Bourhani Arabians also intends to work with other bloodlines to get more diversity in the breeding. For **BOURHANI ALDEBARAN**, one of Bourhani Arabians most successful stallions, one mare was handpicked to complete him in the expected foal. Leased from Gestuet Fischer, the correct, well balanced mare "GF Gips Gadwa", a daughter of the renowned "Gips", who had a wonderful body with great foundation and powerful, correct movement, was chosen for the breeding season 15/16.

Finally Mrs. Bourdeaux leased from EOS Arabians the young straight egyptian champion mare **UMAI EL ADEED** (by Al Adeed Al Shaqab x Luiba). She's now in foal to WH Justice and Hannelore Bourdeaux and everybody at the barn keeps fingers crossed for a great grey filly!

As a new asset to Bourhani Arabians Hannelore Bourdeaux acquired the straight egyptian mare **ORASHANA** (Orashaan x Oraya) and immediately made the decision to repeat the

successful breeding of the previous year to BK LATIF (Nader Al Jamal x Latifah AA). Latif himself was German National Gold Champion and Egyptian Event Silver Champion Colt.

To speak of BOURHANI MONTASHAR who was in 2014 extremely successful at several shows, for instance was he awarded Supreme Champion at the Asil Cup at the demesne Castell and Senior Gold Champion at the Egyptian Cup in Kaub, he continues his education in dressage with Lyndall Kramer at EOS Arabians. Most likely he is going to participate at shows with riding competitions in 2016. MONTY, how he is nicknamed by his fans, was chosen as sire by the Haupt- and Landgestuet Marbach for their black, straight Egyptian mare NAPIRAI (by Bolbol x Nari by Motassem). This mating is promising an interesting result, especially what colour the foal might have. For the breeding season 2016/17 Bourhani Montashar (by Simeon Sharav x De-Sharvarll Montanah) stands at stud at EOS Arabians.

Bourhani Arabians third stallion, the beautiful son of QR Marc BOURHANI OCTAVIUS, has spent his time from autumn 2014 til the end of September 2015 in Denmark at the Lone Husted stud to get educated for his dressage- and showjumping career. As rider - and teacher - acted Lisbeth Floor Bendixen with great initiative and the couple was awarded first place in dressage class LC 1+3 at their first outing at the Nordic Cup riding competition in Ikast/Denmark. In September 2015 at the show in Salzkotten the pair succeeded in the VZAP "Rittigkeitsprüfung" = successfully tested under saddle and they've won on the following day without any problems the E-class showjumping competition as well. This was a nice and well deserved success for both, rider and horse, of course for Hannelore Bourdeaux as well. At the moment Octavius is getting dressage- and showjumping training with Lyndall Kramer at EOS Arabians. For 2016 suitable competitions are on the agenda for him.
