STUD

FAIRVIEW ARABIAN STUD

was founded in 1968 by Peter and Vivienne Hall. They were committed to breeding Arabian Horses with classical type, the exotic face, correct conformation and movement.

AMIR EL SHAKLAN was born on the 24th June 1979 and was laid to rest on the 16th July 2006 at 27 years of age. AMIR EL SHAKLAN was a genetic masterpiece, an Arabian horse in which all the pieces of perfection came together in a uniquely beautiful form. He has greatly influenced today's Arabian horse in Australia and will continue to do so for many generations to come.

In December 2006 the Straight Egyptian colt AL KHA - ZAR was imported from Paradise Arabians, U.S.A. after a 5 year search. The aim was to use him as an out cross sire to the EL SHAKLAN bloodline, which is the nucleus of Fairview Arabian Stud.

AL KHA - ZAR, whose name in Arabic means "the promise of the future" has matured into an awesome stallion. Tall, exotic, a great body and legs and extremely beautiful - without doubt a world class Arabian.

AL KHA - ZAR is sired by THEE ASHL from the mare INFIDELS PRINCESS and he is line bred to BINT MAGIDAA, THE EGYPTIAN PRINCE and RUMINAJA ALI. Fairview now have 5 Straight Egyptian mares that are in foal to AL KHA - ZAR and they include: FAIRVIEW MAHL-LE-KAH, an exotic headed, beautiful grey young mare sired by TRUE COLOURS from COOLONG PARK HAANICIA, KHLEOPATRAH, a black mare line bred to Ruminaja Ali with a line also to Simeon Safanad and Bint Deena. SIMEON SHIR a grey mare sired by AKID GESHAN by Nabel from the mare SIMEON SAFANAD.

Sadly, Fairview Arabian Stud is in the process of dispersing and the stud farm is for sale. Vivienne Hall died on the 14th June 2010 after a 5 year battle with cancer, her passion for the beautiful, correct and typy Arabian horse was shared by her husband Peter. Peter intends to retain about 6 Arabian horses and will eventually move to Queensland to be near his sons and 6 grand children.

Apart from the considerable impact that the stallion AL KHA - ZAR (USA) is currently having on the breeding of Straight Egyptian Arabian horses in Australia, other Straight Egyptian stallions of note who have proven to be top producers in Australia are: ASFOUR, deceased (Imported Germany), by MALIK from HANAN, and also ANAZA BAY SHAHH (Imported U.S.A.), by SHAIKH AL BADI from BINT DEENA. Both these stallions were owned by Simeon Stud (Marion Richmond). These two stallions are responsible for many Champion progeny both in Australia and overseas.

The beautiful Australian National Champion Arabian mare SIMEON SEHAVI by ASFOUR was sold to THE DUBAI STUD a couple of years ago - she went from Australia to Las Vegas where she was judged Reserve Champion mare before traveling to her new home.

Simeon Stud is the largest Straight Egyptian breeding farm in Australia and they have representatives from their stud in many countries around the world. The wonderful stallion SIMEON SADIK by ASFOUR is owned by Shirley Watts in the U.K. and the U.S.A. National Champion stallion SIMEON SHAI calls the U.S.A. Home. Both these stallions are out of the mare SIMEON SAFANAD.
