DUBAI ARABIAN HORSE STUD UNITED ARAB EMIRATES

Written by Sonja Smaldone (Arabian Horse Magazine) - Edited by Soad Badwan

Since its foundation in 2007, Dubai Arabian Horse Stud has rapidly become one of the world's most successful Straight Egyptian and Purebred horse farms. They left their mark on International Arabian horse shows, producing Champions after Champions and gaining respect

from around the world, as visionary horsemen and leaders in the industry. Under the leadership of Mr. Mohammed Al Tawheedi and Mr. Abdelaziz Al Marzooqi, Dubai Arabian Horse Stud has been distinguished by their high-quality horses that further spurred their excellence both

in the show arena and their breeding programs. By fostering good relationships with supportive breeders and studs around the world, Dubai Stud made important contributions to the growth of the breeding worldwide. In the space of only few years the Royal stables have collected many impor-

tant International awards in so many occasions such as: the European Championship, All Nations Cup in Aachen, Menton and several shows in Europe, mastering a prestigious achievement. In only two years after its inception - in the World Championship in Paris 2009, the stunning bay stallion Royal Colours (2003) (True Colours × Xtreme Wonder) was crowned the world champion stallion.

The accurate research, clever planning, passion and commitment of Mohammed Al Tawheedi and Ab-

delaziz Al Marzooqi have allowed Dubai Arabian Horse Stud to take a very important step forward by introducing the technique of Embryo Transfer in their breeding program. This innovation has made it possible for Dubai Stud to try up all their wonderful mares faster, thereby speeding the breeding process. This way, they have managed to produce a worshipped collection of Champion horses raised and bred by them.

In particular, their discovery of the American born

dal Champion Yearling Female, not a surprising, as Her dam, the grey goddess D Shahla (2012)(Marajj x FT Shaella) was deservedly awarded with the title of “Best Dam”.

last but not most certainly not least, when speaking about heroes and the great achievements, we cannot but to mention Dubai Stud’s number one glamor girl D Ajayeb (2014) (RFI Farid x Ladi Veronica), a name that carries in its folds a history of great achievements worldwide, D Ajayeb as always, never to leave, without leaving a distinctive trace in the show arenas. in 2018 World Arabian Horse Championship, she was crowned Silver Champion in the Junior Females category.

The result achieved by Dubai Stud at the Salon du Cheval 2018 exceeded everyone’s expectations when their super stallion FA El Rasheem (FA EL Shawan x

Virtuosa MLR) was crowned as the “Best Sire”. Dubai Stud will never forget those glorious moments in Paris as they provided a concrete proof that all the breeding choices made by Mr. Mohammed Al Tawheedi and Mr. Abdelaziz Al Marzooqi, have been absolutely right so far and now paying off, as in 2016, they were once again elected as the “Best Breeders”. A well-deserved title for these two visionary horsemen and ambassadors of the Arabian breed on a global scale.

Thanks to the introduction of the amazing technology of Embryo Transfer, Dubai Arabian Horse Stud will produce even more astonishing Arabian horses and unquestionably more Champions. When you think about Dubai Arabian Horse Stud, there is no doubt that their slogan rings true – ‘Born to Lead... Bred to Excel’
