Te have 7 foals due this season from our outstanding young colt, Simeon Shifran. 4 foals will be from our newly imported mares, the first from our Tammen daughter MB Sabammenah. 2 will be from our treasured Montasar daughter, Mussalah. Mussalah is the product of a full brother and sister mating carrying the very special blood of Morafic, Maymoonah, Hadban Enzabi and Ghazal. We have one precious foal coming from our priceless old mare, El Dabma. El Dabma is also a Montasar daughter and on the dam side incorporates such great horses such as Farazdac and the great mare Adarweya.

Our young maiden mare, Simeon Seharod (Asfour X Simeon Saada by Asfour) is also due to foal to Simeon Shifran as is Simeon Sabaya (Anaza Bay Shabh X Simeon Sibolet by Asfour). Last but not least is our matriarch Simeon Seda (MB Talmaar X Raffaala). We are also expecting a foal by Anaza Bay Shabh and Simeon Saadia, one from Immesmerize and Simeon Sumaq and several from the grand old man, Australian Champion Imperial Madaar. □
