

# ARABIAN STUD EUROPE

## *Where quality comes first*

by Talitha Bakker ■ photos by Gregor Aymar, Glenn Jacobs, Reindert Jansen, Tupa

Arabian Stud Europe is a boutique breeding farm in The Netherlands run by Talitha Bakker since 2003, the past years supported by her partner Louis Vulker.

Over the years, the farm collected a nice group of broodmares, all with strong pedigrees. Foundation mare of the studfarm is Manilah. A flea-bitten mare by Radameess II (Salaa el Dine) and out of Marischka, who traces back to the famous Moheba II / Halima lines. Manilah herself was a Gold medal champion and Best in show as a senior mare and gave the farm two gorgeous daughters. One is ASE Aaliyah Hlayyil – who is sired by the world champion stallion from Jordan – Hlayyil Radaman, who is by Kamar al Zaman and out of a very rare Jordanian strain through Haboub (Mashalla I). Aaliyah is the answer to modern breeding as she is free from Marwan and Justice blood. The second daughter from Manilah is ASE Bisiriya Hlayyil.

### **ASE Bisiriya Hlayyil**

*This mare has put Arabian Stud Europe on the map. She herself was shown only as a youngster where she received the silver medal. Later on she raced in endurance and successfully completed a CEI 2\* 120km race in Germany, qualifying herself for the CEI 3\* of 160km! She was praised by her fast recovery and low heartrates.*

*However, the real power of this mare is shown in her offspring. She was awarded by the Dutch registry with the ELITE certificate for her outstanding production and isase loved by breeders all around the world. Her first son ASE Faraaj (RFI Farid) won many gold medals, as well as a Best in show title and a 2nd place at the international show in Kuwait. After this colt, many followed like, ASE Juilliard (by Da Vinci FM) – who was bred in partnership with the Royal brothers from Libia and who won the Silver medal at the Tulip Cup in Holland. Another foal was ASE Magnificent (ZT Magnanimous), bred by Linjawi Arabians from Saudi Arabia and who is currently in endurance training with Anne Wegner. Bacchus KA (QR Marc), was bred and is still owned by Knocke Arabians and*

Bred and owned by Southern Chariot Stud, Australia. Photo by Glenn Jacobs

*was successfully shown in 2018. ASE Kamiliya Hlayyil (Kabil al Shaqab) won the silver medal at the Tulip Cup and again silver medal at the Arabian Horse weekend as both a foal and as a yearling. Bisharat al Dawla (RHR Heir of Marwan) bred and owned by Southern Chariot Stud, Australia is another stunning foal who will be shown next year. And of course ASE Farhan (RFI Farid), who won already 7 gold medals and 1 best in show title at just 14 months of age with Kelly Delen of Elba Training center on the lead! For 2020, Bisiriya is in foal to WH Justice and RHR Heir of Marwan, the first one bred and owned by Southern Chariot Stud, Australia*

### Geraldynne el Jamaal

*Another foundation mare of Arabian Stud Europe is the Brazilian import: Geraldynne el Jamaal. Bred by Lenita Perroy from Brazil, Geraldynne is a direct daughter of Ali Jamaal and comes out of the Gainey bred Gai Natascha, who is by Bey Shah and out of Gai Radiance, who is the full sister to Gai Radiant. Geraldynne blessed us with many fillies. Three of which are being retained for the future. ASE Genevieve el Marc (by QR Marc), ASE Gabriella al Gazal (by Gazal al Shaqab) and the spectacular BLACK colt ASE Justice el Jamaal (by WH Justice) who will make his appearance in the showring next year! Geraldynne is also loved by many breeders. Our friend and client Mohamed*

*al Jaidah of Al Jood stud, Qatar, successfully bred with Geraldynne twice, resulting in one filly by Qaysar al Jood and one foal expected next year by Alixir. Petra Mulder of Peka Arabians, The Netherlands also appreciates Geraldynne and bred her to Magic Magnifique for a 2020 foal! The expectations are high!*

### Dakaree

*Most of you will still remember the spectacular mare Dakaree by Dakar el Jamaal, who was sold to Al Shaqab stud in 2012. Dakaree left us one beautiful daughter named ASE Falaree by Fadi al Shaqab. This gorgeous mare gave us an amazing filly this year named ASE Faiana (by ASE Magnificent), who was recently sold to Belgium. Falaree also won in performance on the 40km endurance in Ankum, Germany and will be shown in the near future. She is truly a gorgeous mare with a lot of potential!*

*At Arabian Stud Europe, the horses needs to be suitable for the showing but still be able to perform. All of our horses are ridden and are competing in endurance. Therefore it is very important that they have good legs, good movement and a good disposition. We also care for strong pedigrees and proven damlines.*

### Jazzmeen

*Of course you cannot say Arabian Stud Europe without thinking of a beautiful Black stallion named Jazzmeen (Essteem x Jasmyne by Nyhl el Jamaal). Jazzmeen came to the stud in 2007 and has been the companion of Talitha ever since. Together they enjoy eventing, dressage and show jumping but he is also a very popular breeding stallion for warmblood horses. Due to his big size and his production of type, stretch and movement, he is the ultimate cross for sport horses and his offspring are winning all over Holland and Belgium.*

*For the future, Arabian Stud Europe has some exciting youngsters who are awaiting their moment to shine in the ring. □*
