CELADON is an extremely promising youngster at the threshold of a show career as a senior. He is improving with time, proof of which is the bronze medal of the male championships won at the Junior Spring Show in Białka just recently.

CELADON is the son of Białka's leading broodmares: CELITA, an experienced and highly decorated show mare from the extremely rare damline of Bent-El-Arab or.ar., represented in Poland only by horses from Białka. She is the daughter of the maternal sister to Polish National Senior Champion Stallion CEFIR. CELITA's list of accolades is also a prominent one, with the most notable being Polish National Junior Bronze Champion, Polska-Arabia Junior Silver Champion & Junior Spring Show Top Five Champion, where she won her class with an amazing score of 93.17 pts.

One of the most important pillar broodmatrons in Białka's history was CUDNA from the Bent-El-Arab d.b. damline. A wonderful producer, she gifted Białka with as many as five daughters, including: CELIA, CYKATA, CEDONIA and CYFRA, the latter which has now prolonged CUDNA's heritage and grown into one of Białka's premier broodmares. CYFRA (Celita's direct great-granddam) is the dam of show competitors CYMRA, CYRUS, CYRKA and CELINA (Celita's direct granddam) - a class top five finalist from the Junior Spring Show in Białka, Bełżyce, Falborek & the Polish Nationals. CELINA brought even further glory to her family - she is the dam of the above mentioned CEFIR, a Junior Spring Show Top Five Champion, Polska-Arabia Festival Junior Silver Champion, Polish National Junior Top Five Champion, Polska-Arabia Festival Senior Silver Champion & most importantly Polish National Senior Champion Stallion, as well as CELLA (Celita's dam) - Autumn Show Junior Reserve Champion Mare.

On the spear side of the pedigree we find POGROM, the most outstanding male equine to come out of the barns of Janów Podlaski in recent years as the winner of the US Triple Crown Winner: Scottsdale Supreme Champion, Arabian Breeders World Cup Champion & US National Champion Stallion.

EGIRIA is a decorated broodmare from the barns of Białka Stud. As a daughter of ESPARTO, she ranks high among the mares of the youngest State Stud. This Polish National Champion and multi champion from Middle Eastern Shows was a son of EKSTERN and considered his heir apparent. Sadly, ESPARTO's untimely death put an end to many hopes and expectations, making us appreciate the crops he had managed to sire even more. Białka was lucky enough to be able to test out ESPARTO as the first of the State Studs. His greatest legacy is no doubt PERFINKA (All Nations Cup Junior Champion, European Junior Silver Champion, World Junior Silver Champion, Prince Sultan bin Abdulaziz International Arabian Horse Festival Junior Champion, Qatar International Arabian Horse Show Junior Silver Champion, among the many of her accolades).

EGIRIA's damline is that of the Michałów-bred EMKA, one of the foundation broodmares of Poland's youngest Arabian stud. Her full sister EGEMA (also by ESPARTO) is a highly decorated show champion as Wrocław Summer Show Junior Champion Mare, Janów Podlaski Autumn Show Junior Champion Mare & Best in Show, Abu Zabi Junior Bronze Champion Mare, UAE National Junior Reserve Champion Mare. Other Białka-bred members of the family of EMKA include EKINA (Vilhelmsborg Junior Top Five), EMIKA (Warsaw Summer Show Junior Reserve Champion Mare, Polish National Junior Reserve Champion Mare, Warsaw Summer Show Senior Champion Mare & Best in Show, Janów Podlaski Autumn Show Senior Reserve Champion Mare), EMON (twice Tenerife Senior Champion Stallion) and endurance horse EMIMBOR (winner of the 100 km Sheikh Majid bin Mohammed Endurance Ride).

EMKA further originates from the damline of ELA, one founding broodmares of Michałów Stud, when it was still based in Klemensów. Her many successful descendants in Michałów include champions ESKADRA, chief sires ELDON and ESPARTERO, and the highly decorated mother-daughter group of EGZOTYKA, EGNA, ESKALOPKA & EGZONERA.

BASILIA is an exciting youngster with already a Polish National title to her name. She is the daughter of Janów Podlaski's best sire of the modern era - POGROM. In 2013 POGROM took America by storm, becoming a US Triple Crown Winner as Scottsdale Supreme Champion, Arabian Breeders World Cup Champion & US National Champion Stallion, beating many of the most respected and acclaimed stallions from all over the globe. POGROM is the son of World Champion QR MARC, himself a son and grandson of the world's most prominent World Champions of today, MARWAN AL SHAQAB & GAZAL AL SHAQAB.

The maternal side of BASILIA's pedigree traces to BANDOLA, dam of the most influential post-war sire in the country, BANDOS & UK National Champion Stallion BANAT. It must also be noted that that BANDOLA was a full sister to BASK - a numerous US National Champion, Legion of Merit honoree, said to have established a new standard of the breed in North America.

More recently the family has been famous due to BELGICA (Bełzyce Junior Reserve Champion, Polish National Senior Top Five, Autumn Show Senior Champion & Best in Show), BERENIKA (Autumn Show Junior Silver & Bronze Champion, Inter Cup Senior Bronze Champion, European Cup Senior Silver Champion, Stróhen Senior Bronze Champion), BERNADETTA (Inter Cup Senior Silver Champion, European Cup Senior Gold Champion, International St. Petersburg Cup Senior Bronze Champion), BALLENA (International St. Petersburg Cup Junior Silver Champion), BAMBINA (Junior Spring Show Yearling Champion, Polish National Junior Top Five, Al Khalediah European Arabian Horse Festival Yearling Champion, World Yearling Top Ten, Junior Spring Show Top Five, European Junior Top Five) and just recently at the 2022 Junior Spring Show in Białka: BELLA MIA (bronze medal) and BRODIA (junior mare top five).

Baskonia is a maternal sister to the exceptional BAMBINA, who received a score of 94,67 (!) from the jury panel upon her debut at the Junior Spring Show in Białka, where she ultimately won the yearling gold medal. Her other titles include Champion from the Al Khalediah Show and World Top Ten and European Top Five. BAMBINA has since gone on to becoming a stellar broodmare, as the dam of BRODNICA (Junior Spring Show Top Five Filly, Polish National Yearling Bronze Champion Filly, European Yearling Bronze Champion Filly, Bruges Arabian Horse Event Junior Gold Champion Filly) and BASILEA – 2nd in class at the Junior Spring Show and Polish National Championships as a yearling. Another sister, BELINDA, is the dam of this year's Białka Junior Spring Show Top Five BRODIA.

Both Baskonia and BAMBINA trace directly to BANDOLA, one of Poland's legendary broodmatrons (and full sister to epoch-changing stallion BASK). Bandola is also the dam of the iconic sire BANDOS, however it is the females that have recently brought new fame to this family. Bambina's immediate relatives include BELGICA (Betzyce Junior Reserve Champion Mare, Polish National Senior Top Five Mare, Autumn Show Senior Champion Mare & Best in Show), BERENIKA (Autumn Show Junior Silver & Bronze Champion Mare, Inter Cup Senior Bronze Champion Mare, European Cup Senior Silver Champion Mare, Ströhen Senior Bronze Champion Mare), BERNADETTA (Inter Cup Senior Silver Champion, European Cup Senior Gold Champion Mare, International St. Petersburg Cup Senior Bronze Champion Mare), BALLENA (International St. Petersburg Cup Junior Silver Champion Mare) and just recently at the 2022 Junior Spring Show in Białka: BELLA MIA (bronze medal).

Baskonia is sired by PALATINO - Autumn Show Senior Bronze Champion, InterCup Senior Bronze Champion, twice World Senior Top Ten, Polish National Senior Champion, All Nations Cup Senior Bronze Champion, European Senior Top Five, InterCup Senior Silver Champion, European Cup Senior Gold Champion, European Senior Bronze Champion, Al Khalediah European Arabian Horse Festival Senior Silver Champion. PALATINO's sire multi champion PESAL remains the "pride of Białka" as their most "winningest" horse in history. His dam, European Senior Champion, Polish National Junior & Senior Champion and WAHO Trophy honoree PALMETA has also produced champions PALABRA, PALATINA, PATRIA & PARIS.

CZARO is a delightful three year old colt, who has been crowned last year as Polish National Junior Silver Champion, right behind Michałow's incredible FERRUM. CZARO is sired by POGANIN, a multi champion from various European events and Polish National Senior Champion Stallion. POGANIN is an exemplary combination of exotic beauty of the Straight Egyptian with classic Polish bloodlines. His conformation, dished head and show-stopping charisma are the gifts of his sire LAHEEB, twice Israeli National Senior Champion, European Reserve Junior Champion, Israeli National Junior Champion and World Top Ten Junior Stallion. On the distaff side POGANIN traces to Janów's most iconic damline of PIEWICA, the source of now several generations of international show champions, chief sires, superb race horses and prominent broodmares, including such greats as PIANISSIMA, PINGA or POGROM.

CZARO's dam, CEDORA, is a Junior Spring Show Top Five Mare and class winner at the Polish Nationals from 2015. She is a daughter of CENOZA, a multiple show champion and winner from the race track, confirming the value of Janów Podlaski's versatile "C" damline. Sired by EKSTERN, CENOZA easily inherited his exotic looks and show charisma. Her first champion title came at one year of age at the Autumn Show in Janów Podlaski, but she really began to bloom in her senior years. Not only did her scores surpass the 90/40 point mark, she also secured the titles of Autumn Show Silver Champion, Scandinavian Open Silver Champion, Prague InterCup Bronze Champion, European Top Five and ultimately - World Top Ten Mare in 2013. Apart from that CENOZA also had a respectable racing career. Representing the famous Polish "bold and beautiful" concept she not only completed two racing seasons, but won on three occasions and coming in second also three times. No wonder CENOZA sparked animated bidding at the 2014 Pride of Poland Sale, where she was sold for 240 thousand Euro to the UK.

Bred to PICASSO DI MAR (last service on 20th of April, 2022)

EULERTA is a superb Janów Podlaski Stud broodmare, descending from the mare EUNICE, dam of breed icon EUKALIPTUS.

She is the dam of EMPUZA, a Junior Spring Show Bronze Champion Mare, Prague Inter Cup Yearling Silver Champion Mare, Prague European Cup Yearling Gold Champion Mare & Qatar International Arabian Horse Show Junior Gold Champion Mare. EULERTA is also a maternal sister to ENERIA – dam of ENCARINA: Białka Junior Spring Show Gold Champion, Polish National Junior Gold Champion, Al Khalediah European Arabian Horse Festival Junior Silver Champion & KAAHC Junior Silver Champion Mare.

EULERTA is a rare daughter of EULA, a double Polish National Champion Mare and Canadian Top Ten. EULA emanated world-class quality and refinement from an early age, earning her first Polish National Champion title in the junior category as a two year old. Her next step was to secure that honor also among the seniors. The title of Polish National Senior Champion has been known to have eluded many supreme broodmares, which already held numerous prestigious international titles to their name. EULA earned that honor as soon as her age enabled her to participate in that category, becoming the youngest Senior Champion Mare in the show's history at four years old, as well as the Best in Show.

With that success Eula brings further prestige to the damline of her grandam EUNICE. One of the cornerstone broodmatrons of Janów Podlaski and Polish breeding itself, EUNICE is first and foremost the dam of Polish National Champions: the epoch-making legendary sire of dams EUKALIPTUS and broodmare of merit EUROPA, in turn dam of Polish National and undefeated racing champion EUROPEJCZYK. Other notable champion members of this damline include EUROS, EURON, EUROL, EURYK, EURYKLES, EPOLET, ELWINGA, EUSKARA, EPRUWETKA, EUMENIDA, EUROPEJKA, EUPERIA and their youngest victorious relative - ETERNAL.

EUZONA is a phenomenal Arabian specimen and like the best of wines – she gets better with age. In 2021 at the Polish National Show she won her class with an amazing score of 94.2 pts, including top marks for type from the entire jury panel.

She is sired by OM EL BELLISSIMO, a result of the famous program of Om El Arab, the creator of SANADIK EL SHAKLAN - a World Junior Champion, Egyptian Event Supreme Champion, Scottsdale Top Ten Stallion and one of the most respected sires in the world, to whom OM EL BELLISSIMO is linebred through both sire and dam.

EUZONA's dam is EUZETIA, who is also the dam of the following show contenders: Junior Spring Show class top five EUKARIONT and Arabian Trophy Rhône Alpes Senior Champion, Albi International Senior Champion/Best in Show EUMENIDA.

The above achievements of her offspring make EUZETIA the best producing daughter of Criterium Stakes winner EUZEBIA. A superb athlete as the winner of 7 races, EUZEBIA is furthermore a sister to the epochal "bold & beautiful" EUROPEJCZYK, Polish National Champion and unbeaten track winner of six stake races, including the Derby and Criterium. Both are out of one of Janów Podlaski's most memorable broodmatrons, Polish National Senior Champion EUROPA, a full sister to Poland's first ever National Champion and sire of merit - EUKALIPTUS.

PAQUITA is a daughter of a full sister to World Platinum Champion PINGA. This young mare descends from Janów Podlaski's most famous P-line of PIEWICA. The link to the family foundress in PAQUITA comes through the most renowned branch of PILARKA-PIPI-PILAR.

PILARKA, Polish, UK, European & World Champion, forever etched in history as the "flying beauty" for her phenomenal trot, is a direct female ancestor of the legendary PIANISSIMA. However her best producing daughter is PIPI, known as broodmatron extraordinaire. Named Polish National Senior Champion and Elran Cup Senior Champion Mare, PIPI's true value lay in her producing abilities. She is the dam of 15 foals, many of which went on to achieve greatness on both the show arena and the breeding barn. PIPI's male produce include champion chief sires PILOT and PIAFF and champion daughters PISTACJA, PIKARDIA and PILAR. PIPI's daughters also inherited her producing abilities and have proven themselves as superb broodmares: PRERIA (dam of PRIMERA), PILICA (dam of PALMETA, who in turn is the dam of multi champions PALATINO, PALABRA, PALATINA, PATRIA & PARIS) and PILAR – PAQUITA's granddam – who delivered further champions in the shape of PIETA, PINTA, PIZARRO, PILAROSA, PIBA, POMIAN and the afore mentioned PINGA, who has by now also produced Polish National Champion Mare & Best in Show PINIATA.

PAQUITA is also lucky to benefit from another famous damline, that of Michałów's E-dynasty of champions stemming from EMIGRACJA via her sire EMPIRE. The stallion EMPIRE, a Junior Spring Show Reserve Champion, a Polish National Junior Champion, a European Junior Bronze Champion a World Junior Top Ten Stallion, a Wels International Junior Champion and a Polish National Senior Bronze Champion Stallion, passed away in May of this year, making his get even more sought after.

Bred in the Republic of South Africa, EKS ALIHANDRO is a multi champion holding such prestigious titles as Menton Senior Gold Champion, All Nations Cup Senior Gold Champion and the ultimate honor - World Senior Gold Champion Stallion, among others. This statuesque equine is sired by triple World Champion Stallion MARWAN AL SHAQAB, himself a son of the already legendary GAZAL AL SHAQAB.

PATHOS' dam PALMETA is a living legend at Janów Podlaski Stud. She has been numerously acknowledged at the show arenas with titles of Junior Spring Show Champion, European Senior Champion, World Top Ten Mare and Polish National Junior & Senior Champion Mare with a "Best in Show" honor on both occasions! PENTANEA is a daughter of POMIAN: Junior Spring Show Champion Stallion, Polish National Senior Bronze Champion Stallion, Polish National Senior Gold Champion Stallion, European Senior Top Five Stallion. POMIAN himself is a mix of two living legends: World Champion GAZAL AL SHAQAB, and the outstanding broodmatron PILAR. Herself a Polish National Junior Champion, PILAR went on to foal a slew of show winners: PIETA, PINTA, PIZARRO, PILAROSA, PIBA, POMIAN and last but not least - Polish National Junior & Senior Gold Champion, Scottsdale Senior Reserve Champion, European Senior Gold Champion, World Senior Gold Champion, All Nations Senior Silver & World Platinum Champion Mare PINGA.

PENTANEA is a maternal sister to Junior Spring Show Yearling Top Five, Prague InterCup Junior Champion and Prague European Cup Junior Champion Stallion PEON, as well as Junior Spring Show Yearling Top Five PERKUN.

Their dam PENTA, a Junior Spring Show class top five finalist, is the daughter of PEPINA by PILOT. PEPINA herself is a sibling to five chief sires utilized in breeding in recent years. The most prominent of these is none other than POGROM, an absolute phenomenon and greatest stallion to come out of the barns of Janów Podlaski in the last decade. Masculine, commanding and energizing, POGROM claimed the titles of Junior Spring Show Champion & Best in Show, Polish National Junior Champion, the 2013 American Triple Crown as Scottsdale Senior Champion Stallion & Supreme Champion, US National Senior Champion & Arabian Breeders World Cup Senior Champion Stallion. On home soil he further won the title of Polish National Senior Gold Champion Stallion. Other chief sires include Junior Spring Show Champion Stallion & Best in Show PRADO and performance-oriented PENTAGRAM, POLIGON & PEDAGOG, utilized in sports breeding.

PETRONA is a daughter of ABYAD AA from the world-respected breeding program of Ariela Arabians, an Israeli Egyptian Event Champion Foal and Israeli Reserve Champion Foal. He is a grandson of the iconic mare THE VISION HG, dam of champion chief sires AL LAHAB, AL MARAAM, AL AYAL AA. PETRONA's maternal sire, EKSTERN, needs no introduction. Affectionately dubbed "the King of the Ring", EKSTERN remains an undefeated show champion with nine prestigious titles to their name, among them Polish National Junior & Senior Champion Stallion, 2000 European Triple Crown winner as All Nations Cup, European & World Senior Champion Stallion, Mercedes Diamond Cup Champion and a WAHO Trophy honoree for an outstanding individual of Arabian breeding. But more importantly EKSTERN is a producer of champions and even more - of champion producing broodmares.

PETRONA is out of POLKA, a sister to two successful show mares: POTENTILLA (Polish National Junior Top Five Mare, Prague Inter Cup Senior Bronze Champion Mare, Prague European Cup Senior Gold Champion Mare - Prague, World Senior Top Ten Mare) & PROMETIDA (Junior Spring Show Yearling Silver Champion Mare).

The stellar producing abilities of the sisters' dam PANONIA are the gifts of her regal dam PILAR, one of the leading continuers of the "P" line family of PIEWICA. A Polish National Junior Champion, PILAR ultimately bloomed in the breeding barn, producing a host of champion-winning offspring: PINGA, PINTA, PIETA, PIBA, PIZARRO & PILAROSA.

PILAR is by far the best daughter of the beloved broodmatron PIPI, Polish National & Elran Cup Champion, whose breeding accomplishments also greatly surpassed her show achievements. Throughout her lifetime she produced champion chief sires PILOT & PIAFF, champion daughters PYTIA, PISTACJA, PIKARDIA, and superb dams, who have gone on to prolong this incredible heritage: PILICA (dam of PALMETA), PILINA (dam of PILIN PSYCHE & PIBER), PRERIA (dam of PRIMERA) and PIPI's flagship offspring PILAR.

Ebira embodies the best characteristics of her strong Michatów-based heritage of family foundress ESTOKADA through both sire and dam. Her late sire EMPIRE Polish National Champion & European Bronze Champion Stallion, among others, descends from the branch established by the iconic EMIGRACJA. He is already the sire of several show champions, including EL LARINERA, KRESZ, WOJ, ATAKAMA, BACHMAT PA & EMA AVI.

The distaff side of the family stems from the branch of ESTONIA and her exquisite granddaughter EGINA - Polish National Junior Champion Mare, European Junior Reserve Champion Mare, All Nations Cup Senior Reserve Champion Mare. EGINA's granddaughter EBERIA, bearing a distinctive bloody mark on her arched neck, is the model Saklavi representative. Offered at the 2005 Pride of Poland Sale at Janów Podlaski EBERIA was one of the top five high-sellers. The investment proved profitable for the new owner, for whom EBERIA earned the titles of International UK Reserve Champion Mare and World Top Ten Champion Mare. EBERIA proved to be a valuable producer as the dam of International Arabequus Senior Champion Mare, Saint Pierre International Reserve Senior Champion Mare, Travagliato Cavalli Senior Champion Mare/Best in Show & Festival du Cheval Arab Silver Champion Mare EBLA, ELATEA (dam of Czech National Gold Champion Mare EDELMIRA) and Prague European Cup Senior Gold Champion Mare, Intercup Senior Bronze Champion Mare, Best Czech Horse & Best Mover of the Show EBORA (dam of Intercup Junior Silver Champion Mare & Prague European Cup Junior Silver Champion Mare ELIHANDRA SW and EBRA, Ebira's dam).

EL MEDIARA is an experienced show horse and proven producer. She is the dam of All-Polish Yearling Gold Champion EL GOTTA and class top fives EL MEDONA & EHANTRA. EL MEDIARA's half-sister EL LARINERA made a strong debut at Białka with 93.67 pts and later added the titles of AL Khalediah European Arabian Horse Festival Yearling Silver Champion Mare and European Yearling Top Five Mare to her name.

Both EL MEDIARA and EL LARINERA are daughters of EL EMEERA, whose pedigree is nothing short of legendary. Not only is she sired by the undefeated European Triple Crown winner EKSTERN, maker of champions and champion producers, she is the last daughter of the legendary EMANACJA, who gave rise to four generations of subsequent show stars, including none other than EMANDORIA herself.

Stemming from Michatów's world renown dynasty of 10 generations of "E" champions, EMANACJA is easily one of the most (if not the most) prominent members of her exquisite family. Herself a Polish National Junior & Senior Champion, European Junior Champion, World Junior Reserve Champion & All Nations Cup Senior Champion Mare, she has further contributed to the breed with Junior Spring Show Reserve Champion EMPIRYKA, twice Polish National Senior Reserve Champion ESPADRILLA, multichampion EMANDA (dam of even greater multichampion EMANDORIA), Polish National Senior Champion & Best in Show, Canadian National Reserve Champion, US National Champion & Scottsdale Champion EMANOR and Polish National Junior Champion, twice Polish National Senior Reserve Champion, All Nations Cup Senior Reserve Champion, European Senior Champion & UK National Senior Champion EMILDA, who set up her own clan of superstars - most notably EMBRA, EMMONA, EMMBLA, EL SAGHIRA, as well as three champion chief sires active in Polish breeding today: EMPIRE, EL OMARI & ERYKS (what's even more interesting is that all of them have been used to cover the elite selection of mares offered at the 2016 Pride of Poland Sale).

EMBLEMA is the dam of EMIREMIA – a Junior Spring Show Yearling Bronze Champion Mare from Biatka. Her dam EMMBLA is a Gold Medalist from the Summer Arabian Horse Performance in Wrocław. She is also a maternal sister to EMIRA, double Polish National Champion Mare as both a junior and senior, as well as to Polish National Champion Stallion EL OMARI. Their dam EMBRA is a Las Vegas Arabian Breeders World Cup Senior Reserve Champion, European Top Five, All Nations Top Five & World Top Ten Mare.

EMMBLA stems from Michatow's most known damline of more than ten generations of champion equines beginning with the letter E, established by the athletically gifted Oaks & Criterium St. winner ESTOKADA. The most prominent broodmare of the family is beyond doubt EMIGRACJA, Polish National Senior Reserve Champion Mare, a WAHO Trophy honoree for an outstanding individual of Polish Arabian breeding. EMIGRACJA's contribution to the breed consists of a group of spectacular daughters, such as Polish National Senior Reserve Champion ERLANDA (dam of Scottsdale Senior Champion & US National Senior Reserve Champion ELANDRA), Polish National Champion ELLADA, World Senior Top Ten & Belgian Arabian Prestige International Senior Bronze Champion ETENTA, EMOCJA (dam of Polish National Champion EJRENE) and the grand two: Polish National & European Champion EMIGRANTKA and EMANACJA - Polish National Junior & Senior Champion, European Junior Champion, World Junior Reserve Champion Mare and All Nations Cup Senior Champion Mare.

EMIGRANTKA further contributed to her E line by producing multi-champions EL DORADA & EMIGRANT, but it was EMANACJA who really secured the family legacy with a batch of elite daughters: EMANTA (dam of Polish National Junior Reserve Champion EKSTERNA), World Champion EMANDA (dam of mega multi star EMANDORIA), twice Polish National Senior Reserve Champion ESPADRILLA, Junior Spring Show Reserve Champion EMPIRYKA, EL EMEERA (dam of the current Junior Spring Show Silver Champion EL LARINERA) and EMILDA - Polish National, UK National & European Champion Mare – dam of the aforementioned EMBRA.

Kabsztad is a champion winning sire with a royal pedigree – a son of Janów Podlaski's POGANIN from the world-famous P-line and Michałów's Platinum World Champion Mare KWESTURA.

The legendary KWESTURA is not only a Platinum World Champion, but also (among others) a US National Champion Mare and a double World Senior Champion Mare. KWESTURA was a record seller at the 2008 Pride of Poland Sale at 1.125 million euro. Apart from KABSZTAD she has also produced broodmare KASJOPEJA (dam of Junior Spring Show Yearling Bronze Champion Colt KWARC and Denmark Open Senior Silver Champion Mare, Nordic Open Show Liberty Champion, Swedish National Senior Bronze Champion KRAŚNICA) and AJ KAHAYLA – dam of the extremely successful AJ KAFU (Dubai, Emirates, All Nations Cup & Menton Gold Champion Stallion). KWESTURA is out of Polish National Junior Champion Mare KWESTA, sister to US National Champion Mare KAWALKADA. In turn both KWESTA & KAWALKADA are the daughters of Polish National Junior Champion Mare & European Cup Reserve Champion Mare KABAŁA.

On the spear side of Kabsztad's pedigree we find POGANIN, an experienced show horse, he is multi champion from various European events and holds the coveted title of Polish National Senior Champion Stallion. POGANIN is an exemplary combination of exotic beauty of the Straight Egyptian with classic Polish bloodlines: LAHEEB with the iconic damline of PIEWICA. POGANIN's granddam PESTKA has established her own distinct subline of PIEWICA, having specialized in the production of chief sires. Only in recent years her daughters (and granddaughter) have contributed to the breed worldwide with as many as nine chief sires, show-oriented (POGANIN, PORTO, PERSEUSZ, PEGASUS, PRADO, US Triple Crown Winner POGROM) and performance-bound (PENTAGRAM, POLIGON & PEDAGOG).

LAMBADA carries an extremely interesting pedigree, which is full of Michatów-bred greats. Not only is she the daughter of the exquisite EMERALD J (son of Michatów's uber-champion EMANDORIA), but her subsequent maternal sires have are also notable specimens bred at her maternal stud: EKSTERN, EMIGRANT & WOJSŁAW. EMERALD J, bred by Jadem Arabians in Belgium, is a Dubai International Arabian Horse Championship Senior Gold Champion, PSAIAHF Senior Gold Champion, Chantilly World Cup Senior Gold and Al Khalediah European Arabian Horse Festival (A cat) Senior Gold Champion. He is also the sire of multi champions GALLARDO J, MOUNIRA J & ADMIRAAL. He is out of Michatów's World Platinum Champion EMANDORIA, adding further glory to the world famous E-line.

LAMBADA's dam is LAWINIA, an experienced show horse and Gold Champion Mare. Her accomplished siblings include Polish Nationals class top three honoree LIZBONA and LANCKORONA (herself a class top five finalist from the Junior Spring Show in Białka) - dam of Kuwaiti National Yearling Gold Champion Mare JEWATHER LEMAR.

LAWINIA comes from Michatów's noble family of LINDA. This small strain of equines abounds in plenty of refined individuals, such as Polish National Senior Champion, Junior Spring Show Champion, Polish National Reserve Junior Champion & European Championships class winner LARISSA, Scandinavian Open Senior Silver Champion, Danish Senior Champion, Normandie Arabian Festival Senior Reserve Champion LISSAR, Kauber Platte Senior Silver Champion & International Kuwaiti Senior Champion LATONA, Polish National Junior Bronze Champion LARANDO and LENKA - Arabhäst i Väst Senior Silver Champion.

Broodmares from the "L" line are greatly appreciated by breeders worldwide. The few offered at the Pride of Poland Sales have all been big hits with the buyers - LAVERNA (a sister to LANCKORONA's dam, purchased for 140 thousand Euro), LARISSA (80 thousand Euro), LOZANNA (58 thousand Euro) - significantly adding to the auctions' aggregate.

PIĘKNA DAMA ("Beautiful Damsel") is a daughter of PEGASUS - Janów Podlaski Autumn Show Senior Champion Stallion, World Senior Top Ten Stallion, Polish National Senior Reserve Champion Stallion - a chief sire from the world famed damline of PIEWICA, through her granddaughter PESTKA. Dubbed as the "sire making" branch of PIEWICA, PESTKA's female descendants have produced as many as nine champion stallions. This group of versatile males includes sport-oriented stallions (PENTAGRAM, POLIGON, PEDAGOG) and high quality show stars (PRADO, PERSEUSZ, POGANIN, POGROM, PITAWAL). PEGASUS is the maternal brother to a slew of highly decorated siblings, including PERSEUSZ (International Poznań Junior Champion, Minče Senior Champion Stallion and St. Petersburg International Cup Senior Bronze Champion Stallion), POLIFONIA (Umea Senior Champion Mare, Pitea International Senior Champion Mare, Forssa International Senior Bronze Champion Mare, Midnight Sun International Senior Reserve Champion Mare) PERNILA (Polish National Senior Bronze Champion Mare) and the record-seller of the Pride of Poland Sales at 1.4 million euro PEPITA - Polish National Senior Champion, All Nations Cup Senior Silver Champion, European Senior Silver Champion, as well as Elran Cup Senior Gold Champion, KAAHC Senior Gold Champion, PSAIAHF Senior Gold Champion, Dubai Senior Gold Champion and Sharjah Senior Gold Champion Mare.

PIĘKNA DAMA's dam, PIĘKNA PANI ("Beautiful Lady") is a full sister to POLONIA, a top five class honoree from Salzkotten, Prague, Kauber Platter & Överkalix, dam of successful show contenders PANTHEROS, PYRONIA K.A. & PENELOPE K.A. The sister duo of PIĘKNA PANI & POLONIA are granddaughters of one of Michałów's finest and most accomplished EUKALIPTUS daughters - PASSA, a living example of the Polish "bold and beautiful" breeding program concept. PASSA excelled as an athlete (winning the Amurath Stakes) and a show horse - securing the title of World Junior Reserve Champion Mare, the first official World Championship title for Michałów. PASSA stems directly from one of the iconic broodmatrons of world breeding, the bay TAKTIKA, an All-Union Champion in the then USSR and graded "ELITE" at Tersk Stud, the highest possible honor in Russian breeding.

WARANGA is an exceptionally valuable Arabian specimen as an experienced show horse, champion producer and bearer of priceless pedigree. She has ranked high at shows, but most importantly she is the dam of WOJ – Bruges Senior Silver Champion, Prague Inter Cup Senior Gold Champion, Sentower Diamond Trophy Senior Bronze Champion & Arabian Horse Weekend Senior Gold Champion Stallion.

WARANGA is a maternal sister to WILDA, an exceptional show star as Falborek Junior Reserve Champion, Polish National Senior Reserve Champion, All Nations Cup Senior Bronze Champion, Al Khalediah European Arabian Horse Festival Senior Champion Mare, European Senior Top Five and twice World Senior Top Ten, and champion producer as dam of WORONIN, WILANDRA EA & WILDONA.

WARANGA and WILDA's dam, WILGA, is a Junior Spring Show Reserve Champion Mare from Białka. The damline traces to founding mare WARMIA through her US National Champion Mare daughter WIZJA. It is exactly this branch of the family that has given the breed such specimen as WIAŻMA, WIEŻA WIATRÓW, WIEŻA BABEL, WIEŻA RÓŻ and the ultimate champion of them all, WIEŻA MOCY: Polish National Junior Champion Mare, European Junior Bronze Champion Mare, Junior Spring Show Champion Mare & Best in Show, European Junior Champion Mare, World Junior Champion Mare, Las Vegas Arabian Breeders World Cup Senior Champion Mare, Scottsdale Arabian National Breeders Finals Senior Champion Mare, US National Senior Champion Mare, Scottsdale Arabian Show Senior Champion Mare and Polish National Senior Gold Champion Mare.

WARANGA further benefits from two incredible sires: QR MARC & EKSTERN. World Champion QR MARC is a son of triple World Champion, double US National Champion MARWAN AL SHAQAB & World Platinum Champion GAZAL AL SHAQAB, sire of significance and breed standard setter. Whereas the iconic EKSTERN, affectionately dubbed "the King of the Ring", remains an undefeated show champion with nine prestigious titles to their name, among them the 2000 European Triple Crown.

WIEŻA ORIENTU ("Tower of the Orient") is the first Polish-bred produce of the phenomenal champion WIEŻA MOCY.

WIEŻA MOCY, known as the "Tower of Power", is a breed icon, defining the standard of the modern Arabian mare and having wowed judges at the most significant shows on both hemispheres alike. WIEŻA MOCY's walk of fame started on home soil (Polish National Junior Gold Champion Mare, Junior Spring Show Gold Champion Mare/Best in Show in Białka), spreading across the border to take the Junior Gold Medal at the European Championships and then the most coveted of all titles - the World Junior Gold Champion Mare honor. Having conquered Europe, WIEŻA MOCY turned her attention to America and claimed the Arabian Breeders World Cup in Las Vegas, the Arabian National Breeder Finals in Scottsdale and ultimately - the title of US National Champion Mare, becoming the ninth winner of this title for Michałów Stud.

By winning the US National Champion Mare title WIEŻA MOCY repeated the feat of her great-granddam WIZJA, who claimed the very same honor 37 years earlier. After returning to Poland WIZJA secured her legacy with daughter WIAŻMA, an exemplary specimen as Junior Spring Show Champion Mare and producer extraordinaire, source of the entire "Tower-named" collection of exquisite equines. WIAŻMA's two daughters, WIEŻA BABEL & WIEŻA WIATRÓW, have both won the Junior Spring Show and become Best in Show while there. A third daughter, WIEŻA MARZEŃ, was a class winner at the Polish Nationals, but by producing WIEŻA MOCY, another Tower equine crowned Junior Spring Show Champion & Best in Show, she fulfilled the family's grand tradition. Last year WIEŻA MOCY completed her list of accolades with perhaps the most important for our Arabians - Polish National Senior Champion Mare.

WIEŻA ORIENTU also benefits from her Michałów-bred sire. The "bold and beautiful" GANGES represents the very core of the Polish breeding program as a victorious race horse (winner of the Koheilan I St.) and show star, wielding the titles of Blommeröd International Senior Champion/Best in Show, Polish National Senior Champion, All Nations Cup Senior Reserve Champion, Columbus Senior Champion & US National Senior Reserve Champion.

Bred to EL OMARI (last service on 15th of April, 2022)

Although she is bred at Michałów, WYGODNA is a stellar combination of two fine Janów Podlaski-bred stallions: POGROM & ALBEDO.

WYGODNA's sire POGROM is Janów's best sire of recent years. In 2013 he took America by storm, becoming a US Triple Crown Winner as Scottsdale Supreme Champion, Arabian Breeders World Cup Champion & US National Champion Stallion, beating many of the most respected and acclaimed stallions from all over the globe. POGROM is the son of World Champion QR MARC, himself a son and grandson of the world's most prominent World Champions of today, MARWAN AL SHAQAB & GAZAL AL SHAQAB. WYGODNA's maternal sire is ALBEDO, a royally bred stallion combining two families of historical importance: the "P-line" of PIEWICA and the "A" of ALGERIA.

WYGODNA is the granddaughter of the astonishing WKRA, a result of Michałów's signature nick: GAZAL AL SHAQAB x MONOGRAMM. An extremely successful one, as other specimen bearing the same pedigree include among others PISTORIA, NORMA and EJRENE. Wkra herself is a Senior Gold Champion Mare from the KAAHC Championships in Riyadh and a Senior Top Five Mare from the Polish Nationals and Scottsdale. Apart from Witeria Wkra's other produce include WAGIRA, Polish National Junior Top Five & Autumn Show Junior Top Five Mare, as well as WKRAZA, a top five finalist from Białka.

WKRA descends from Michałów's all-time beloved broodmatrons WILEJKA. This Polish National Reserve Champion Mare (and full sister to US National Champion WIZJA - progenitor of US National Champion WIEŻA MOCY) is most remembered for her Polish National Champion & Blommeröd Reserve Champion son WOJSŁAW, an archetypal Kuhailan stallion and four race winner. The athletic genes are still strong in this family as seen in "the vanquisher of DRUID", Derby & Criterium St. winner WILIAM, the best filly at the turn of the new millenium, nine time stakes winner WIENERVA and her produce: Derby & Criterium St. winner WARES and the nine time victorious WESTIM.

ZATOKA WENECKA is a proven broodmare with several foals on the ground. She is a daughter of World Platinum Champion Stallion and heir to the "Al Shaqab" dynasty, KAHIL AL SHAQAB. A grandson of GAZAL through his son MARWAN AL SHAQAB (yet another World Champion Stallion), KAHIL stood at the Polish studs in 2012-2013 and his first crops literally blew the show scene away. These included the likes of MORION, PARIS, BAMBINA, AL JAZEERA, PUSTYNIA KAHILA & PARIS. In a short period KAHIL AL SHAQAB has established himself as a sire with the golden touch, making his get very sought after.

Maternally ZATOKA WENECKA stems from ZŁOTA IWA, through her European Senior Reserve Champion & All Nations Cup Senior Champion Mare daughter ZAZULA. The "Z" family is responsible for show champions ZIGI ZANA, ZŁOTY MEDAL, ZAGORA, ZMOWA, ZIGI-ZAN, ZŁOTA BAŚŃ, ZŁOTOGŁÓW, ZENIA, ZALETA, ZALOTNA, ZŁOCIEŃ, ZACHARY, ZIMARC and the phenomenon which is ZAGROBLA - twice Junior Spring Show Reserve Champion, twice Polish National Junior Reserve Champion, Bąbolna International Junior Champion, All Nations Cup Junior Reserve Champion, Bąbolna International Senior Champion, All Nations Cup Senior Champion, twice European Senior Reserve Champion, World Senior Champion, Scottsdale Reserve Champion & US National Champion Mare.

EFFIE is a direct granddaughter of Michatów's iconic broodmare EMIGRACJA, the foundress of the most decorated branch in the stud's show history. EMIGRACJA has been honored as Polish National Senior Reserve Champion Mare and awarded the WAHO Trophy honoree for an outstanding individual of Polish Arabian breeding. EMIGRACJA's exceptional produce are none other than EMIGRANTKA, EMANACJA & ERLANDA. These in turn went on to produce a plethora of international champions, such as EMIGRANT, EL DORADA, EMANDA, EMILDA, EMBRA, EMMONA, EMIRA, EMPIRE, EL OMARI, ESPADRILLA, EMANOR, ELANDRA, EJRENE.

EFFIE continues her family tradition of producing show-quality horses. She is the dam of ESOLA (by WADEE AL SHAQAB) - a class winner from Stróhen and class five finalist from the Junior Spring Show in Białka and the Inter Cup in Prague as a two year old.

EFFIE also benefits from one of the most trendiest stallions of today, SHANGHAI EA. This remarkable stallion was a nose away from being crowned European Triple Crown as a junior and senior, unfortunately having to settle on both occasions for "only" the Silver Medal at the World Championships. However in the nature of the Arabian horse he is becoming even more refined with age, which promises to give him the coveted title in the not so distant future. Yet it is not just show successes that have raised SHANGHAI to stardom, but even more so his siring abilities. Already his first crop delivered European Triple Crown Champion (All Nations Cup/European/World) EXCALIBUR EA, ZEUS EA and AJ KAFU.

EL FARIDA is an exciting show prospect with several titles to her name already at a young age. She is the daughter of RFI FARID - Italian National Junior Champion, International Kauber Platte Junior Gold Champion, International Verona Junior Gold Champion Stallion & Best in Show, All Nations Cup Junior Bronze Champion, World Junior Bronze Champion, Austrian International Senior Silver Champion, Elran Cup Senior Gold Champion, Sharjah International Senior Silver Champion & Elran Cup Senior Silver Champion Stallion. He is also known for siring champion winners, such as D AJAYEB (World Gold Champion), HDM MARIA APAL (World Gold Champion) & MADINAT AL BAYDAA (World Silver Champion), for which he was named the Leading Sire of the Paris Show in 2016.

EL FARIDA's dam ESMETA is sired by the late EKSTERN, a sire that redefined the breed standard. Nine times shown, nine times champion, including the European Triple Crown, EKSTERN has also become known as the "sire of broodmares", as his daughters have produced the likes of EQUATOR, WIEŻA MOCY and MORION. ESMETA's dam is EMIKA, one of Białka's champion greats as Warsaw Summer Show Junior Reserve Champion Mare, Polish National Junior Reserve Champion Mare, Warsaw Summer Show Senior Champion Mare & Best in Show & Janów Podlaski Autumn Show Senior Reserve Champion Mare. EMIKA is the granddaughter of EMKA, one of the foundation broodmares of Poland's youngest Arabian stud. EMKA further originates from the damline of ELA, one founding broodmares of Michałów Stud, when it was still based in Klemensów. Her many successful descendants in Michałów include champions ESKADRA, chief sires ELDON and ESPARTERO, and the highly decorated mother-daughter group of EGZOTYKA, EGNA, ESKALOPKA & EGZONERA.

EL KAHRA is a Michałów-bred broodmare that benefits from a double dosage of her maternal stud's E-dynasty of champions stemming from EMIGRACJA via both sire and dam. Her sire, the late EMPIRE, is a Junior Spring Show Reserve Champion, a Polish National Junior Champion, a European Junior Bronze Champion a World Junior Top Ten Stallion, a Wels International Junior Champion and a Polish National Senior Bronze Champion Stallion. He himself is the son of EMIRA – an immensely decorated champion mare with titles won all over Europe (All Nations Cup, European Championships, World Championships, Ströhen, Prague, Elran Cup, Tulip Cup, Vilhelmsborg, Chantilly, Bruges) and the Middle East (Qatar International), but what speaks about her most are the titles of Polish National Junior & Senior Champion Mare, honors that are harder to claim than the Triple Crown.

The distaff link to EMIGRACJA comes via EL KAHRA's damline and ESPADRILLA, one of the iconic Michałów-bred MONOGRAMM daughters that have become the stud's trademark. As a Betzyce Senior Champion, Falborek Senior Champion and twice Polish National Senior Reserve Champion Mare, ESPADRILLA belongs to the elite collection of the chestnut sire's Polish get with the likes of DEMONA, EKSCELLA, ESKALOPKA, ETENTA, GEORGIA, PALESTYNA, ZAGROBLA, EGZONERA, ELANDRA, EMBRA, EMOCJA, FALLADA, PALMIRA, EMMONA and last but not least, the one and only KWESTURA.

ESPADRILLA proved that her beauty is not just skin deep and carried over her successful streak to the breeding barn by producing Esmirna's full sister EPIKASJA (twice Junior Spring Show class Top Three finalist, competing directly in the same class as PIANISSIMA & ETNOLOGIA, respectively), ESPINILLA (Junior Spring Show Top Five Mare & Polish Nationals class Top Five finalist) & EMANDILLA (Wrocław Arabian Horse Show Weekend Junior Reserve Champion, Junior Spring Show & Polish Nationals class Top Five finalist). Esmirna herself is a class Top Three & Five honoree from performance classes at the Autumn Show in Janów Podlaski, where she exhibited flawless gaits in Dressage, Classic Pleasure, Native Costume and Polish Historical Costume classes.

ESPERANA is a young filly at the threshold of her show career. She is a daughter of the Michałow-bred MORION, who has taken the show world by storm and is now doing the same in the breeding barn.

MORION's show record is nothing short of extraordinary. His list of accolades includes Białka Junior Spring Show Yearling Champion & Best in Show, Polish National Junior Champion, Al Khalediah European Arabian Horse Festival Junior Champion & Best in Show, All Nations Cup Yearling Silver Champion, European Yearling Silver Champion, World Yearling Silver Champion, Junior Spring Show Champion Stallion & Best in Show, All Nations Cup Junior Champion, World Junior Champion, Qatar International Arabian Horse Championship Junior Champion, AHO World Cup Senior Silver Champion, All Nations Cup Senior Bronze Champion & Polish National Senior Gold Champion. But his breeding career will be even better. At this year's Junior Spring Show in Białka, MORION's get won medals at all the four championships: the gold, silver and bronze in the yearling male championships went to EL MEDAR, DELIKT and LARGO KL, the silver and bronze in the yearling female championships went to ŻŁOTA AURA and BELLA MIA, the gold in the junior male championships went to EL BRILLO and the bronze in the junior female championships went to EL MARIELLA.

GINEGRA is a daughter of AJMAN MONISCIONE, son of "maker of champions" WH JUSTICE. AJMAN MONISCIONE more than confirms this nickname, as he has catapulted to stardom by becoming Stróhen Junior Champion, "Best Head" winner at the Salon du Cheval, twice European Junior Reserve Champion, All Nations Cup Junior Champion, Menton International Junior Champion and St. Tropez Senior Gold Champion Stallion.

Her dam GINERVA has also produced class top five finalist GAZIR and European Cup Junior Bronze Champion Mare GINESSA. GINERVA is a daughter of Michatów's beloved broodmatron GEORGIA, one of Michatów's all-time greats, ranking equal alongside her paternal siblings as KWESTURA, FALLADA, ZAGROBLA, ESKALOPKA, EGZONERA, ELANDRA, EMBRA or PALMIRA. Like the finest of wines, GEORGIA delivered her best presentation at the ripe age of 20 (!) last year at the Polish Nationals. Her model Arabian type was awarded with a full set of top marks, her head and neck earned another "20" and her perfectly cadenced trot disarmed the judges, who could only hand her another complete set of "20s". This translated to a mind-boggling final score of 95,17 pts, the highest score in the show's history and a Senior Silver Medal.

GEORGIA is one of seven extraordinary sisters out of "bold and beautiful" Salon du Cheval class & stakes winner GIZELA. GENEZA, GARONNA, GASKONIA, GEHENNA, GWARANCJA & GIZA and their produce have contributed to the breed with Oaks & Derby winners (GENEZA, GWARO, GEPARD, GARONNA), talented show champions (GARONNA, GANGES, GASKONIA, GEHENNA, GERMANIK) and three champion chief sires: GANGES, GASPAS & GRAFIK. GEORGIA took it a step further, as she established a separate subline of her dam's family, which already counts three (!) successful generations. The most recent accomplished successor is GEORGIA's granddaughter GALERIDA, Polish National Champion Mare/Best in Show and Sharjah, Dubai, Aachen & Menton Senior Bronze Champion Mare, out of GEORGIA's most accomplished daughter - Polish National Senior Champion & World Senior Champion GALILEA.

PIRENO is highly decorated sire and one of the best SHANGHAI EA's sons in Poland. This remarkable stallion was a nose away from being crowned European Triple Crown as a junior and senior, unfortunately having to settle on both occasions for "only" the Silver Medal at the World Championships. However in the nature of the Arabian horse he is becoming even more refined with age, which promises to give him the coveted title in the not so distant future. Yet it is not just show successes that have raised SHANGHAI to stardom, but even more so his siring abilities. Already his first crop delivered European Triple Crown Champion (All Nations Cup/European/World) EXCALIBUR EA, ZEUS EA and AJ KAFU.

PIRANA K.A., PIRENO's dam, is bred by Knocke Arabians in Belgium. She descends directly from Janów Podlaski's famous P-line through perhaps the most decorated branch of the family: PILARKA-PIPI-PILICA. The damline's first icon, Polish National Junior Reserve Champion, European Junior Champion, World Junior Champion, European Senior Champion & Show Champion, World Cup Senior Champion & UK National Senior Champion Mare PILARKA, produced Polish National Senior Champion and Elran Cup Senior Champion Mare PIPI. PIPI in turn is the dam of 15 foals, many of which went on to achieve greatness on both the show arena and the breeding barn. PIPI's male produce include chief sires PILOT and PIAFF and champion daughters PISTACJA, PIKARDIA and PILAR. PIPI's daughters also inherited her producing abilities and have proven themselves as superb broodmares. PRERIA foaled champion mare PRIMERA, PILAR delivered further champions PIETA, PINTA, PIZARRO, PILAROSA, PIBA, POMIAN and World Platinum Champion PINGA, who has by now also produced Polish National Champion Mare & Best in Show PINIATA... while PILICA produced PALMETA - Junior Spring Show Champion, Polish National Champion & Best in Show both as junior and senior, European Senior Champion Mare and WAHO Trophy honoree - also dam of multi champions PALATINO, PALABRA, PALATINA, PATRIA & PARIS.
