28. The title of possession concerning either the horse being purchased or the offspring being foaled after the Auction of the mares described as “in foal” would not be transferred to the Buyer unless he should pay the total amount of money being due including all the remaining expenses connected with the present conditions of the Auction Terms or other dues to the Seller and / or the Organizer.

33. Other solutions regarding the transport or the maintenance of horses after the time being stated in item 32 may be settled directly between the Buyer and the Sellers on the basis of separate agreements (in particular, this applies to mares, which the foaling date precludes collection on the required date).

Esmoriana benefits from two incredible Michałów broodmatrons, daughters of the legendary MONOGRAMM: KWESTURA and ESPADRILLA.

The link to KWESTURA comes through Esmoriana's sire KABSZTAD, a multichampion horse named Junior Spring Show Champion, Polish National Junior Champion, European Junior Reserve Champion, Al Khalediah Arabian Horse Festival Junior Silver Champion, Dubai Junior Bronze Champion, Sharjah International Junior Champion, Menton Junior Silver Champion, Polish National Senior Silver Champion, Polish National Senior Gold Champion, Al Khalediah European Arabian Horse Festival Senior Bronze Champion, All-Polish Senior Silver Champion Stallion. It is only fitting, as his dam KWESTURA not only a Platinum World Champion, but also (among others) a US National Champion Mare and a double World Senior Champion Mare. KWESTURA was a record seller at the 2008 Pride of Poland Sale at 1.125 million euro.

The link to the second MONOGRAMM daughter, ESPADRILLA, is found via Esmoriana's damline. ESPADRILLA is highly decorated as Bełżycy Senior Champion, Falborek Senior Champion and twice Polish National Senior Reserve Champion Mare. She is further the dam of EPIKASJA (twice Junior Spring Show class Top Three finalist, competing directly in the same class as PIANISSIMA & ETNOLOGIA, respectively), ESPINILLA (Junior Spring Show Top Five Mare & Polish Nationals class Top Five finalist) & EMANDILLA (Wrocław Arabian Horse Show Weekend Junior Reserve Champion, Junior Spring Show & Polish Nationals class Top Five finalist).

An incredible offer to purchase breedings to FERRUM, Michałów's brightest star of today. These will be the only breedings offered to outside breeders in the 2022 season.

FERRUM is without any doubt the best stallion born in the State Studs in recent years. His debut in July of this year at the Bialka Junior Spring Show - the first testing ground for all Polish Arabians - was a strong one, with the highest score among yearling males (92,83 pts) and a unanimous Yearling Gold Champion Stallion title from the judges. A month later FERRUM spread his wings even wider at the Polish Nationals in Janów Podlaski by winning his class with 93,6 pts (including a full set of top marks for his showy trot and two more for type), unanimously receiving the Yearling Gold Champion Stallion title and further topping it off with the Best in Show honours. He has since added the titles of European Yearling Champion, Polish National Champion and European Silver Junior Champion Stallion.

FERRUM is sired by the most known Michałów-bred stallions of the modern era - MORION, a World Junior Gold Champion Stallion, Qatar International Junior Champion Stallion and a double Polish National Junior & Senior Gold Champion Stallion, among his many show accomplishments. MORION himself is a stellar combination of his own two World Champion sires: the exotic KAHIL AL SHAQAB and Michałów's iconic EKSTERN on his dam's side. FERRUM comes from MORION's first Polish crop, which also included Bialka Junior Spring Show Yearling Gold Champion Mare EL MEDIDA and Polish National Yearling Silver Champion Mare EL MADERA, further attesting to the breeding value of their sire.

On the distaff side FERRUM traces to the small Michałów family of FANFARA, whose members were some of the more sought after equines at the Janów Podlaski Sale throughout the years, evident in the prices determined for them by the buyers. FERRUM's grandam FERMATA is a maternal sister to FAUSTYNA, a high-seller of the 2007 Pride of Poland Sale for 150 thousand Euro. FAUSTYNA went on to claim the Austrian National Senior Top Five Mare title and the Austrian National Senior Mare Championship. Their dam FELICJANA, in turn a high-seller of the 2009 Pride of Poland Sale for 105 thousand Euro to the Middle East, is class winner from the Makkah Arabian Horse Show held in the Kingdom of Saudi Arabia in the senior mares category. Other members of FANFARA's family that surpassed the 100 thousand mark (then in USD) include FANTASTKA (240 thousand), FLADRA (125 thousand) and FIGLARKA (105 thousand).

Fonarysa's dam is a maternal sister to chief sire FORMAN, one of the newest sires to take up breeding duties at Michałów Stud. FORMAN raced 15 times over 2 seasons, placing in the money 10 times. As a proud continuer of the athletic tradition of his damline he is expected to greatly contribute to the stud's racing program.

Fonarysa stems from Michałów's exemplary Kuhailan family of FORTA, famed for stamina, correct build and supreme hardiness. Forta produced a whole line-up of capable performers, including Criterium St. winners CZORT & FINISZ, Derby winners again FINISZ & EQUIFOR and two outstanding Oaks St. winning daughters, who established sublines of their own – DYSKA & FATMA, the direct great-grandams of our Forlanda. ERSA is first and foremost a daughter of Michałów's most renown sire of the modern era - the undefeated EKSTERN, nine times shown, nine times crowned champion, including the European Triple Crown. Apart from his show successes EKSTERN further excelled in the breeding barn and is now known for his superb daughters that have proven themselves as worthy producers. These include MESALINA (dam of MORION), EKLIPTYKA (dam of EQUATOR) and WIEŻA MARZEŃ (dam of WIEŻA MOCY), to name just a few.

On the dam side ERSAs descends from Michałów's superb dynasty of E-champions, tracing directly to the iconic EMANACJA, Polish National Junior & Senior Champion Mare, European Champion Mare, All Nations Cup Champion Mare and World Reserve Champion Mare. EMANACJA also made a name for herself as a champion producer, with four generations of show winners to date. Her champion daughters include ESPADRILLA, EMANDORIA (dam of World Platinum Champion Mare EMANDORIA) and EMILDA - Polish National Champion Mare, European Champion Mare & UK National Champion Mare. EMILDA left three daughters in Poland before heading to a new home abroad - these were none other than EMBRA, EMMONA and ERYKA - granddam of Ersa.

EMBRA, a Breeders Cup Senior Reserve Champion from Las Vegas is the dam/granddam of champions EMIRA, EL SAGHIRA, EMBLA and champion chief sires EL OMARI & EMPIRE. Her sister EMMONA, a numerous show winner, including World Champion Mare, Polish National Champion Mare/Best in Show, Al Khalediah European Arabian Horse Festival Bronze Champion Mare, is in turn dam of chief sire ERYKS.

The third sister and Ersa's direct ancestor - ERYKA - holds an interesting and rare pedigree, as she has been inbred to the legendary Polish sire EUKALIPTUS on both the sire and damline. This first ever Polish National Champion Stallion defined the standard of the Polish Arabian horse in his time, just like EKSTERN is today, and became known for supreme broodmares that made up the pillars of state stud breeding as PASSA, EMIGRANTKA, ESKLAWA, EMANACJA, GRENLANDIA, CZECZOTKA, HULANKA, ERLANDA, EGNA, LARISSA, HEROLDIA, PIANOSA & AMRA.

2021 European Junior Silver Champion Stallion - Verona (IT)

An incredible offer to purchase breedings to FERRUM, Michałów's brightest star of today. These will be the only breedings offered to outside breeders in the 2022 season.

FERRUM is without any doubt the best stallion born in the State Studs in recent years. His debut in July of this year at the Bialka Junior Spring Show - the first testing ground for all Polish Arabians - was a strong one, with the highest score among yearling males (92,83 pts) and a unanimous Yearling Gold Champion Stallion title from the judges. A month later FERRUM spread his wings even wider at the Polish Nationals in Janów Podlaski by winning his class with 93,6 pts (including a full set of top marks for his showy trot and two more for type), unanimously receiving the Yearling Gold Champion Stallion title and further topping it off with the Best in Show honours. He has since added the titles of European Yearling Champion, Polish National Champion and European Silver Junior Champion Stallion.

FERRUM is sired by the most known Michałów-bred stallions of the modern era - MORION, a World Junior Gold Champion Stallion, Qatar International Junior Champion Stallion and a double Polish National Junior & Senior Gold Champion Stallion, among his many show accomplishments. MORION himself is a stellar combination of his own two World Champion sires: the exotic KAHIL AL SHAQAB and Michałów's iconic EKSTERN on his dam's side. FERRUM comes from MORION's first Polish crop, which also included Bialka Junior Spring Show Yearling Gold Champion Mare EL MEDIDA and Polish National Yearling Silver Champion Mare EL MADERA, further attesting to the breeding value of their sire.

On the distaff side FERRUM traces to the small Michałów family of FANFARA, whose members were some of the more sought after equines at the Janów Podlaski Sale throughout the years, evident in the prices determined for them by the buyers. FERRUM's grandam FERMATA is a maternal sister to FAUSTYNA, a high-seller of the 2007 Pride of Poland Sale for 150 thousand Euro. FAUSTYNA went on to claim the Austrian National Senior Top Five Mare title and the Austrian National Senior Mare Championship. Their dam FELICJANA, in turn a high-seller of the 2009 Pride of Poland Sale for 105 thousand Euro to the Middle East, is class winner from the Makkah Arabian Horse Show held in the Kingdom of Saudi Arabia in the senior mares category. Other members of FANFARA's family that surpassed the 100 thousand mark (then in USD) include FANTASTKA (240 thousand), FLADRA (125 thousand) and FIGLARKA (105 thousand).

The daughter of the delightful class winning GOLTERIA, GOLTRA is an enchanting youngster from an extremely versatile family of GASTRONOMIA, encompassing both show and race achievers.

GOLTRA is the very first female produce of GOLTERIA. As a yearling GOLTERIA began her career where all Polish horses start off - at the Junior Spring Show in Białka. She placed second in class and received a top mark for movement, which would become her signature trait. The next year at Białka GOLTERIA upped her previous result by winning her class with a score of 91.33 pts and again a "20" for movement. Fast forward to a couple of months to the Polish Nationals, where she also won her class, awarded 92 pts (interestingly - this score was higher than those of the show's Junior Champion and Reserve Champion PALARA & EKSTERNA, who each received 91,33) and as usual - a top mark for movement.

GOLTRA's dam GOLTERIA is also particularly special in a way that she is one of the best get of multi European and Middle Eastern champion GALBA foaled on Polish soil. She descends from the enormously accomplished family of GASTRONOMIA. In fact all Polish-bred equines starting with the letter "G" descend from this one foundress! This means that GOLTRA's relatives, among many others, include race and Salon du Cheval class winner GIZELA and her superb daughters: Oaks winner GARONNA (dam of champion chief sire GANGES), multi stakes winner GENEZA, Polish National Champion GASKONIA (dam of champion sires GASKOŃCZYK, GASPAR & GRAFIK), World & Polish National Senior Silver Champion GEORGIA (dam of South African super star GEORGETOWN, as well as World & Polish National Champion GALILEA), GWARANCJA (dam of Derby winner GWARO) and GIZA (dam of Race Horse of the Year GEPARD).

Witalia is a daughter of US National, Canadian National & Brazilian National Champion Stallion VITORIO TO.

Her dam, WITONIA, is a class top five finalist in both her performances at the Junior Spring Show. She is out of WINDAWA, a daughter of Polish National Junior Reserve Champion WILNIANKA. An accomplished broodmare in her own right, WILNIANKA is furthermore a full sister to one of Michałów's leading Kuhailan stallions, WOJSŁAW. This Polish National Champion, All Scandinavian Reserve Champion and a four time winner from the track scored his greatest achievement in the breeding barn. Another important sibling of WILNIANKA is the broodmare WILIA, who has given rise to several of the absolute best racing horses of the new millennium: sons WILEC (Amurath St. winner) & WILIAM (a six time stakes winner, including the Derby, also known as "the vanquisher of the above mentioned DRUID), granddaughter WIENERVA (a nine time stakes winner, including the Criterium St.) and the latter's sons WARES (a three time stakes winner, including the Derby) & WESTIM (a two time stakes winner and a favorite for the 2014 Derby).

WILNIANKA is out of the revered Polish National Junior Reserve Champion WILEJKA. In turn WILEJKA's sister (WIZJA) scored a National Championship title of the other hemisphere, becoming US National Champion Mare. Her descendants make up a powerful dynasty of "Towers" (WIEŻAs), whose most known representative today is the reigning Las Vegas Arabian Breeders World Cup Junior Champion WIEŻA MOCY ("Tower of Power").
